FIFTEEN CENTS

A 'magnet' for shoppers

Business vitality makes Antioch exciting

(Third in a series on "how and why Antioch is growing.")

By LINDA BARNES

Commerce, always an important factor in the life and vitality of any community, is particularly important for Antioch, for the village is essentially run by the proceeds from its sales taxes.

In the area of commerce, Antioch is once again growing and expanding. And it is upon commerce and industry that the economic life of the community depends.

Antioch's stores and shops not only serve its own village and township residents, but provide for people from many of its surrounding towns and villages. This creates an unusually wide radius of communities to be serviced.

Basically, it can be said that this area includes a large portion of Kenosha County and extends down to and including Lake Villa Township and Newport Township.

Additionally, people who work but do not live in Antioch need to be serviced, for they will frequently stay after working hours and shop.

AS WITH OTHER areas of development, commerce in Antioch is growing and thriving. A number of new shopping areas have been built in the past years; others are presently being developed.

Antioch Shopping Plaza, on Orchard Street, was constructed approximately 13 years ago. Presently, leases are being accepted for a number of new shops soon to be established on Orchard Street.

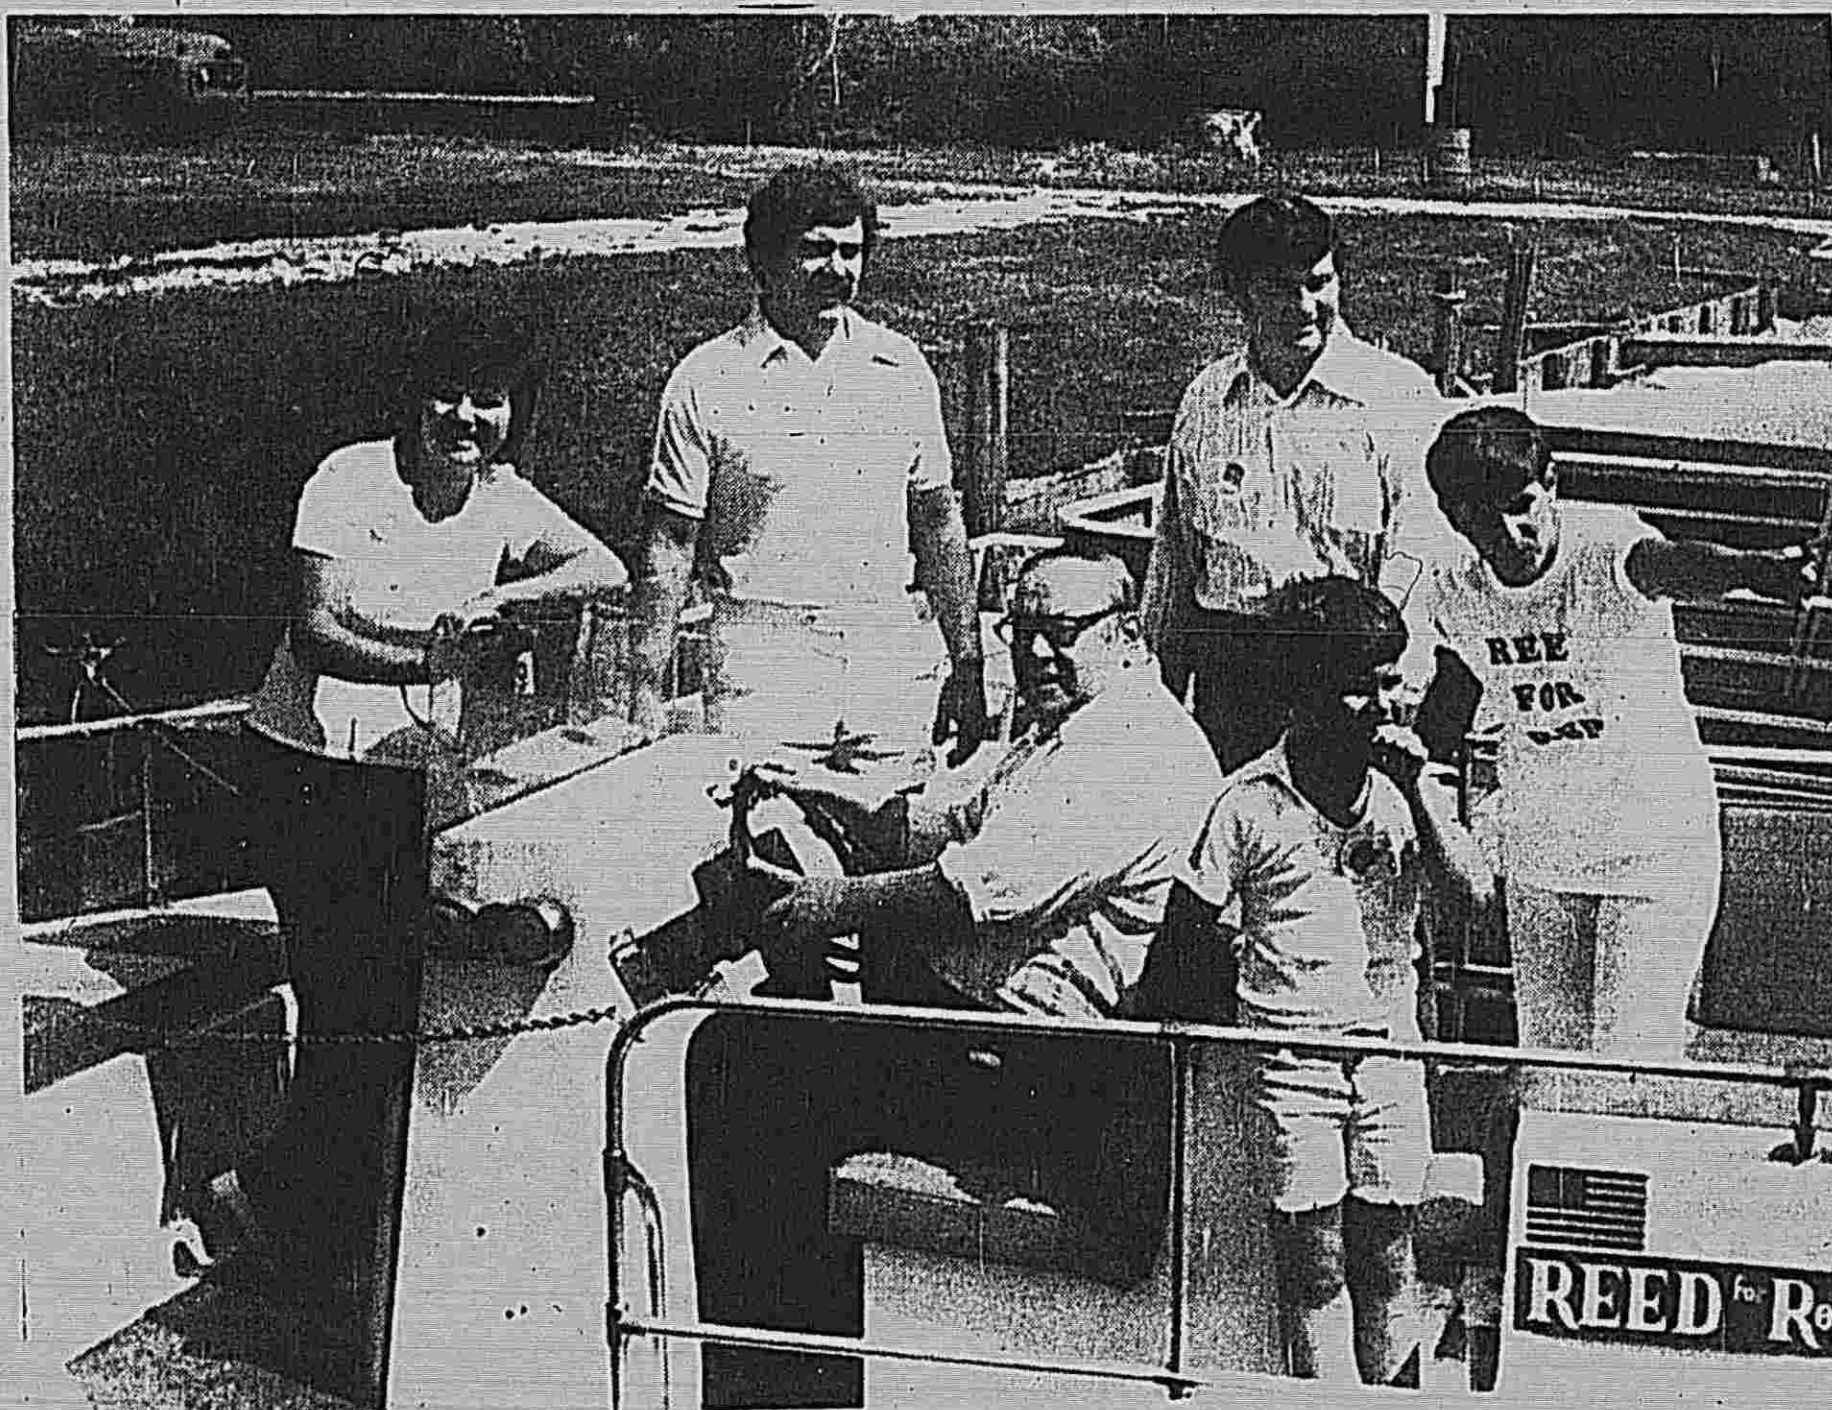

The Park Avenue Mall has been completed and already includes four stores - The Little Gallery, the Gilded

Cage, Suforma Studio of Hair, and King's Rexall Pharmacy.

THE COUNTRY STORE Center, at Route 59 and Route 173, is currently accepting office and store leases. Completion of the shopping center is expected in spring of 1978.

Hickory Commons, a shopping plaza near the Township Hall on Route 173, presently has shops open for business, some of which include Candlelight Galleries Inc., Antioch Carpet, and the

IN IRELAND THEY KISS the Blarney Stone and in Antioch, for fun, they head for Blarney Island. Especially next Wednesday, July 26, when State Rep. Betty Lou Reed will be there for an event called "Burger and Brew with Betty Lou." Making plans are (from left) Pat Dittmer,

chairman; Clem Haley, owner of Blarney Island and Grass Lake Marina; Charley Haling, of Haling's Resort; Mayor Mike Haley of Antioch, and little D.L. Litwiler and his mom, Donna, Grant Township chairman for Rep. Reed. (Story on page 2.)

85 enter State Bank tennis tourney

Eighty-five participants will compete in the second annual State Bank of Antioch Youth Singles tournament Friday through Sunday to be played at both Antioch High School and Doc Jensen Park courts.

Youngsters and teens, age 8 through 17, all from Antioch township and the immediate surrounding area, will be competing in separate divisions in age groups: 8 through 10, 11 through 13, 14 and 15, and 16 and 17.

A total of 32 trophies will be presented in the boys and girls divisions for first, second, third and fourth place in each age group.

PRES RECKERS, VICE PRESIDENT of the State Bank and coordinator of the three-day tournament, is working with several persons who are helping to conduct the event: Sue Koppa, parks and recreation director for

Village board renames roads, OK's duplexes

By JERRY PFARR

Want to get to the sawmill?

Okay, you're coming into town north on Highway 83. Turn left at Wilton Ave., right on Victoria, jog to the left on Lake St., and then go north on Toft Ave. Turn left on Orchard and then right on Holbek Drive.

These directions were made possible Monday night by the Antioch village board, which passed an ordinance renaming three streets.

TURNER DRIVE, WHERE the new fire-safety building is to be constructed, is now Holbek Drive, in memory of Herman Holbek.

Mr. Holbek died last August and village officials knew it was fitting that when the fire department and rescue squad rush out to help people they should do it on a drive called Holbek. Herman was the founder of the Antioch Rescue Squad.

Quality Street, which connects Main and Victoria streets just a block south of the heart of downtown Antioch, is now Wilton Ave. in honor of Robert C. Wilton, who was mayor from 1973 to 1977, when he moved to Mundelein.

Broadway Street, which connects Lake and Orchard in the downtown area, was renamed to honor Raymond P. Toft, Antioch's mayor from 1965 to 1973.

ALSO, MONDAY NIGHT, the village board accepted an appraisal of \$154,000 for 6.2 acres of land on which John V. Frega of Chicago plans to build duplexes.

The multi-family development between Garys Drive and Anita St., north of Rinear Rd., is expected to contain 46 housing units. Frega needed the appraisal to determine the extent of his contributions to schools and parks.

A NEW PATROLMAN was hired. He is Bert Metz of Lake Villa, who will be sent to school later this month for police training. He will replace Robert Stemm, a police officer who is planning to relocate in Minnesota about Sept. 1.

The village trustees approved payment of \$18,468 to the Dictaphone Co. for dispatching equipment for the 911 emergency system which goes into effect Oct. 16. The money is from revenue sharing funds and half of it will be paid by the villages of Lake Villa and Lindenhurst.

Village Clerk Marilyn Sterbenz was authorized to advertise for bids for patching McMillen Rd., which has a

Bible school to be held

Faith Evangelical Lutheran Church on S. Main St. in Antioch will sponsor a vacation bible school from 9 a.m. to 11:30 a.m. August 7 through 11 and August 14 through 18. The school is for ages three through eighth grade. Featured topics include forgiveness of sin, peace with God and eternal life. The purpose of the school is to make the children a true member of God's family through sharing personal experiences with God through the blood of Jesus Christ. For further information, call 395-1660. The school is free.

Although the original playing cards came from 10th century A.D. China, the earliest to bear the four suits of the modern pack reputedly date from France in 1440 A.D.

First Church of Christ, Scientist
Route 173 and Harden Street
Antioch, Illinois

Services: Sundays - 10 a.m.
Wednesdays - 8 p.m.
Sunday School - 10 a.m.

THREE ANTIOCH youngsters examine copies of the Antioch News dating back to the 1890's to find information about an old story that a steam engine lies beneath Depot Street somewhere just east of the railroad tracks. Antioch Trustee Edgar Simonsen said he heard as a young boy that

a train derailed there sometime in the late 1800s, went into a sink hole caused by running sand and was covered by the fill. Unfortunately, the resourceful boys, Don Ball, 11, left, Peter Twardy, 10½, and Chris Twardy, 12, were unable to find any clues of the wreck.

Police recover money but thieves escape

Three Antioch policemen recovered \$25 taken from a cash drawer from Georgia's Beauty Shop at Rtes. 173 and 59 early Tuesday morning but were unable to catch the suspects.

Patrolmen Walter Mitchell, Robert Lange and Robert Stemm responded to the call at 12:59 a.m. at the beauty shop. Chief Chuck Miller said they were assisted by a unit from the Lake County police.

Police saw two persons, apparently the burglars, fleeing west toward a field and gave chase, but were unable to capture them, Miller said. Upon searching the field, they found \$25 which was taken from a cash drawer.

Further investigation is pending, Miller said.

Burger and Brew festival to be held for Rep. Reed

A unique idea for supporting a candidate and having fun at the same time is being planned by friends of Rep. Betty Lou Reed. "Burger and Brew with Betty Lou" will take place on fabled Blarney Island in Grass Lake from 4 p.m. to 9 p.m. on Wednesday, July 26.

Ticket holders will be treated with a boat ride to the island, a famed Blarney Island Burger, frothy brew, entertainment, and a return trip to the mainland to round out a fun experience. Cost of the tickets is \$5 per person.

SHUTTLE BOATS WILL BE leaving from Haling's Marina and the Grass Lake Marina, both located on Grass Lake Road west of Rt. 59 and approximately one mile apart.

Tickets are available from Mayor Mike Haley, 395-0311, Jim and Lillian Olson, 395-2668, Marilyn Sterbenz, 395-1000, Antioch Township in addition to Charlie, Chuck or Ed Haling at Haling's 395-2250 and Clem

Haley at the Grass Lake Marina 395-3093.

Republican precinct committeemen will also be able to supply Rep. Reed supporters with tickets.

REP. REED has initiated many programs, in particular the safety sign program in the Chain O'Lakes, long needed as an aid to safer boating and enjoyment of the waterway; the funding of the controlled growth of algae study very successfully being done; and the appointment of Landmark Status recent accorded the Mineola Hotel in Fox Lake.

Also, Rep. Reed's interest, involvement, steadfast concern and hard work in the upgrading and widening projects of both Rt. 83 and Rt. 132 will be remembered and appreciated by local residents for many years to come, project coordinators said.

She said she will be looking for her many friends in the Chain O'Lakes area on the 26th.

"An ideal is often but a flaming vision of reality."

Postage costs for packages announced

Many customers mailing heavy envelopes are not aware that postage is only 13 cents for each additional ounce over one ounce. Post Officer in Charge Mary Chase said today.

Spot checks of large envelopes deposited in the Antioch Post Office indicate that families are often using two or more 15-cent stamps in mailing items weighing over one ounce, Officer Chase said.

Postal rates effective May 29 call for 15 cents for one ounce or less and 13 cents for each additional ounce through 12 ounces.

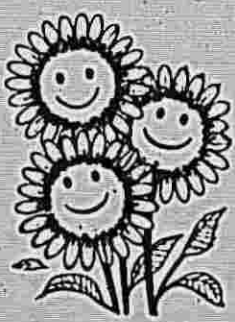

Because many families have a surplus of 13 cent stamps on hand, Officer Chase suggests that in addition to matching them with two-cent stamps, they may be used for mailing large envelopes or small packages weighing more than one ounce.

Beyond 12 ounces, first-class mail is called priority mail. Packages weighing up to 70 pounds can be mailed.

Within a radius of 50 miles of Antioch, priority packages should be delivered the next business day. With the exception of a few distant areas, there is second-day service within the U.S. for priority packages.

Priority mail rates for a five pound package range from \$2.72 for distances up to 300 miles to \$4.83 to the most distant cities.

For detailed rate information, customers can call the post office at 395-0097.

Dear Editor:

Your "Pfarr Corner" column last week sure left a few feathers ruffled around here. Just in case you didn't know, shade-tree testing can sure be hard work.

Agitated in Bristol

Thought for Today

I'VE SEEN BOYS on my baseball team go into slumps and never come out of them, and I've seen others snap right out and come back better than ever. I guess more players lick themselves than are ever licked by an opposing team.

CONNIE MACK

THE TOWN CRIER

This is a tale of two cities - well, a village and a city.

The village is Antioch, Ill., where they play ball for the fun of it, and the city is Anaheim, Calif., where they play for a living.

In Antioch, the news is that the Moose Lodge has accepted the challenge of the Jaycees for a 16-inch softball game. In Anaheim, major league pitcher Chris Knapp is leaving the California Angels because he is paid only about \$700 for each hour he works.

FIRST THE GOOD NEWS. The Moose team and the Jaycees are tentatively scheduled to play softball at 7 p.m. tonight (Wednesday) at the Upper Grade School.

They probably will have a \$50 side bet, with the \$100 going to the winners' favorite charity. After making believe they detest each other during the game, the two teams probably will gather afterwards and enjoy a barrel of beer.

The Jaycees jokingly said the Moose Lodge was afraid of them. The Jaycees even offered to bat left-handed if the Moose would accept their challenge.

Well, manager Scotty Lowe and Tom Muse of the Moose team are not the types to back down from a challenge. They have a 5-0 record in the 3rd district Moose league and they have players such as Mike Perrone, recent outstanding athlete at Antioch High School.

"Now we think the Jaycees might be the ones backing down," grinned Muse. "By the way, we'll agree to their offer that they bat left-handed."

NOW, THE BAD NEWS. Chris Knapp, who formerly pitched for the Chicago White Sox, has left the California Angels and said Monday he isn't coming back to them or any other baseball team. He has decided "to step out while I'm still young enough to start over."

Knapp refused to pitch last week unless he got an immediate raise from \$40,000 a year to \$70,000.

Knapp is 24 years old and as a baseball player he has four or five months vacation a year. During the season, let's say he pitches one day and rests for three or four days.

This year, Knapp has pitched 116 innings ... which

Honored at Air Force Base

JAMES ANDERSON

SENIOR AIRMAN James Anderson of Antioch was named "maintenance person of the month" at Homestead Air Force Base in Florida.

His parents, Mr. and Mrs. Charles L. Anderson, received a letter from James' commander, a lieutenant colonel, who said:

"James was selected for his significant contribution to the mission of the base by his performance of extraordinary maintenance practices. He was specifically recognized for his initiative and leadership, job efficiency, appearance and conduct, ability to communicate, and knowledge and customs and courtesies. He is truly a credit to you, himself, and the United States Air Force."

Airman Anderson maintains and repairs all navigational aids on the F4-E's at Homestead.

If you've given up trying to get something open, tell a four-year old not to touch it.

You got troubles, Bunky?
Dial-a-Tragedy

By JERRY PFARR

The idea came when one of the ladies who works here asked me to help write a sympathy card for a friend of hers who had lost a loved one.

"Help me," she said. "You're good at this sort of thing."

She knew this because I'm the type who cries easily. I have this remarkable range of moods - one moment I am giggling hysterically at something only I think is funny, and the next moment I am totally depressed.

I cry when I hear the National Anthem, or "Danny Boy." Sometimes at parades. I sob at graduations and weddings. Anybody's wedding.

My wife is even worse - she cried when our son and the other Cub Scouts came out on roller skates carrying the American flag. It was the first time in my life I had heard of anyone crying at a roller rink.

SO WHEN I REALIZED my talents were in demand, I said, "Why not capitalize on it?"

That's why my associates and I are starting this new business called "Dial-a-Tragedy." The phone number, of course will be 872-4339. Clever? The customer simply dials T-R-A-G-E-D-Y.

But don't call yet ... we're having trouble getting telephones installed in Antioch with an 872 prefix.

At first, we see Dial-a-Tragedy as only a part-time business. I mean, it isn't a buyer's market. There aren't a lot of people willing to pay money for tragedies.

On the side, we'll probably sell stormdoors and offer an Antioch to Grayslake airline service. We will swing past the village of Fox Lake, too, but you'll have to parachute your way down because we don't plan to land there. (I mean, who would want to land in Fox Lake?)

the Pfarr Corner

ONCE WE'RE IN BUSINESS, I can just hear those telephones:

Ringggg!

"Dial-a-Tragedy!"

"I don't have to. I married one." It was my wife. Pick up the kid at the Little League park.

RINGGGG!

"Dial-a-Tragedy! May I ask the nature of your tragedy, madam? Since Morris the Cat died you haven't been able to stop grieving? You must remember, madam, Morris the Cat had Nine Lives. (Or was it Friskies, or Puss 'n Boots?)

"Madam, you may think you loved Morris, but you didn't have to change his kitty litter. I can assure you, Morris is just biding his time between lives, scratching that Big Sofa Up in the Sky. One day you'll find a husky, orange cat on your porch, yowling for food. It happens every time."

RINGGGG!

"You say you're from Chicago, lady, and you think it's tragic because you're afraid to take your children to a park? That's easy. Bring them to Antioch ... I can assure you, the Nazis will never march in Gage Brothers Park."

RINGGGG!

"Dial-a-Tragedy! What's that, sir, you want to buy a tragedy? Well, you called the right place. Let's see, your in-laws and wife's relatives are having a family picnic and reunion and you can't stand it one more time. Let me think ... yes, yes, we could have the picnic bombed and strafed by those wonderful folks who brought us Pearl Harbor."

I WISH the phone would stop ringing. Ever since we went into this tragedy business I've been so depressed.

NAMES in the NEWS

Two Milikin University students from Antioch were recently named to the dean's list for spring semester.

CHRISTINA LINDBERG, a junior, and daughter of Mr. and Mrs. Carl Lindberg, Rte. 3, was named to the high dean's list for achieving a grade point average of straight A's. She is a music education major.

Also, **Vicki Plotz**, a graduated senior, and daughter of Mr. and Mrs. Vern Plotz of 573 Highland Ave. earned a place on the dean's list for maintaining a grade point average of at least 3.5 on a 4.0 scale. She is a psychology and sociology major.

New postmaster may be sworn in July 26 or 27

Antioch will have a new postmaster next week. Wayne C. Van Heirsele, 44, who was formerly the manager of mail processing at the Waukegan Post Office.

He is expected to be sworn in either July 26 or 27, Antioch's acting officer-in-charge Mary Chase said.

Antioch's previous postmaster, Gerry Ehrhart, died last summer and the post office has been under the supervision of acting officers. Mrs. Chase has served in that position for the past six months.

VAN HEIRSELE IS CURRENTLY on vacation in California, said Al Suomu, supervisor of support services at the Waukegan Post Office.

Van Heirsele started with the Waukegan Post Office in April of 1958 as a carrier and was promoted to foreman of mails in 1972.

In 1974, he was superintendent of delivery and collection in Waukegan and in 1976 he became manager of mail processing, Suomu explained. In March of 1977, Van Heirsele was temporarily assigned as officer in charge at the Prospect Heights Post Office.

THE NEW POSTMASTER is a resident of Park City with his wife and daughter. Suomu said he did not know if Van Heirsele would commute to Antioch or move to the village. Mrs. Chase said there is no regulation which requires the postmaster to live in the village he works in.

He applied for the position which was open to qualified Post Office employees and his application was reviewed by a mini-board. The board narrows the field to five candidates.

Then the regional selection board, located in Chicago, interviewed the candidates and selected the best person for the position, Suomu said. The appointment must be approved by officials in Washington D.C. before the regional postmaster general can reveal the selection.

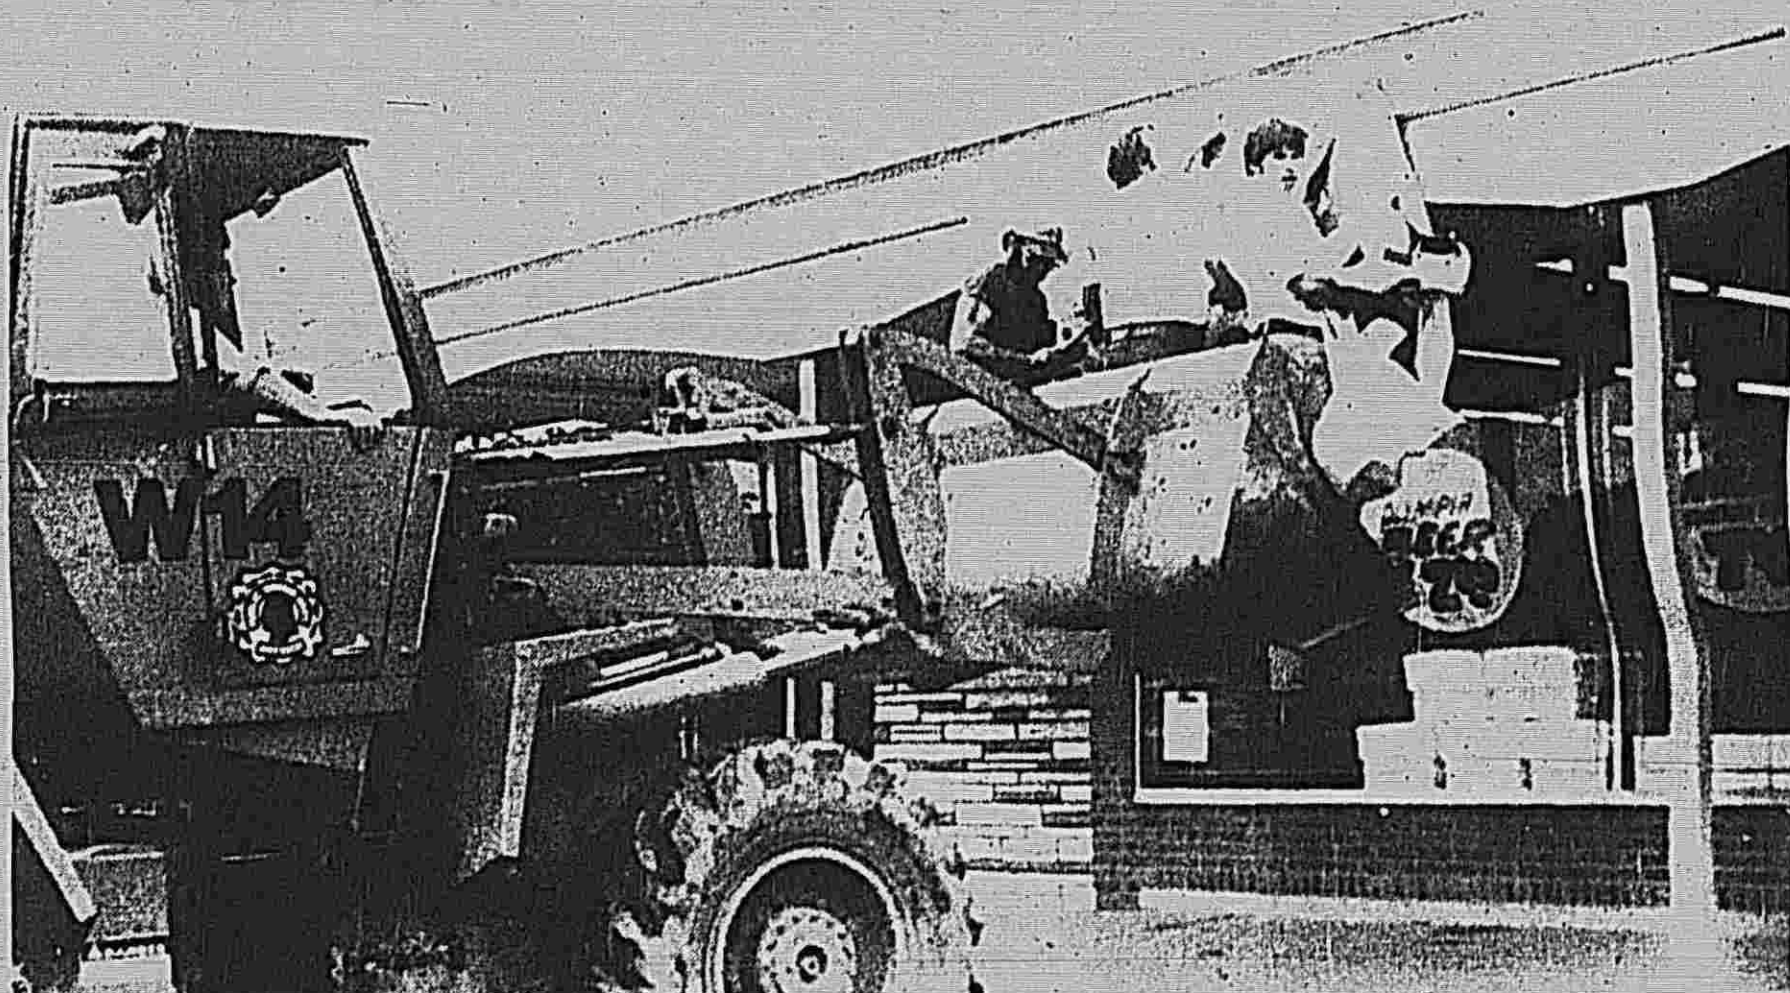

THE POSTMASTER USUALLY holds the job for life, Suomu added, but he is evaluated yearly for his performance.

The system of allowing the U.S. President to appoint postmasters throughout the country was changed in 1971. The political consideration of appointments is now taken out of the selection process with post office review boards making the decisions.

"I'm sure he will be missed in Waukegan," Suomu added.

UNRAVELING THE BANNER for the Lions Club Chicken Barbeque and Maxwell Street Days, two events to be held soon, are Public Works employees Tim Wells, left, George Lowe and Bill Smith; and Kenn Nelson, retail committee member of the Chamber of Commerce, Pres Reckers, publicity chairman of the chicken barbeque and Les Sorensen, chairman of the chicken barbeque.

SCOOPED UP in a Public Works department vehicle, George Lowe, left, and Tim Wells, of public works and Kevin Kelly of

Foremost Liquors raise a banner in the Orchard Shopping Plaza announcing the annual Lions Club Chicken Barbeque to be held Aug. 6 and Maxwell Street Days, which begin Aug. 3.

Lions plan annual picnic

Antioch and its surrounding communities are getting ready for one of those big summer weekends so typical of these parts.

The climax is Sunday, Aug. 6, from 11 a.m. to 6 p.m. when the Lions Club holds its annual Farmer's Picnic, Chicken Bar-B-Que and Auction at Williams Park.

Chicken dinners will be sold starting at 11, and there will be games, races and prizes for children from 1:30 to 5 p.m.

The auction, directed by Herman Behm, annually attracts a huge crowd. The Lions Club donates the

In the early morning hours of Friday William Jennings Bryan was nominated for the presidency by the Democratic national convention.

The circus of Monday night was largely attended. The show was good considering the way it was conducted.

Mr. and Mrs. E.A. Reeves entertained the minister over Sunday. Everyone is invited to attend church as there will be preaching every Sunday from now on.

Fifty businessmen on their way to their offices in Chicago and Waukegan, voiced their opinion of the Chicago & Milwaukee Electric Railroad Co. management in strange, strong language Monday morning when they found that the car schedule had changed without notice.

40 YEARS AGO: JULY 21, 1938

L.O. Bright, principal of the Antioch High School, is in Victory Memorial Hospital, a victim of one of the most trivial ailments which turned out, in this case, to be not so trivial.

In a dairy barn-planning contest conducted throughout the United States and Canada, the names of two young men of this community appear among the winners. Otto Gussarson was presented with a Starline floor scraper and Gordon Pierce received a Starline milk stool for their efforts in drawing plans of what they considered ideal dairy barns.

Electric refrigeration, says Irving Carey of the Carey Electric and Plumbing shop at Antioch, has pretty nearly attained the status of Life Insurance. No housewife feels safe today without perfectly sanitary refrigeration. Mr. Carey sells a refrigerator that is nationally known and despite poor business conditions of the summer, the refrigerator sales have exceeded those of last summer.

20 YEARS AGO: JULY 17, 1958

The school board employed Joseph Rush, son of Thela Rush, head of the music department of the Lake Villa grade schools, to head the music department vacated by Loujs Chenette. Rush has been head of both vocal and instrumental music at the Wawoka, Ind., High School and Grade school the last two years, and has been successful in his work there.

U.S. Marines landed in Beirut, Lebanon, this week in an attempt to protect the government which is friendly to the U.S.

Postmaster Roy L. Kufalk said today he expects plenty of stamps and postal cards to be on hand for sale Aug. 1, to meet new postage rates which become effective then. 1st class letter will require a 4c stamp, 7c for air mail and 3c postal cards.

Jackie Pregonzer, who will be 26 on Aug. 2, received word late Monday night that he was signed by the Pittsburgh Pirates as a pitcher. The son of Mr. and Mrs. Louis Pregonzer of Grass Lake, Antioch is a graduate of Antioch Township High School and an Illinois Wesleyan College graduate, class of 1958.

Nine accidents within a 24-hour period Sunday, gave the Antioch Rescue Squad its busiest day in history and drew into service six doctors who were attending a party given by Dr. James Kopriva.

10 YEARS AGO: JULY 18, 1968

Hayloft Jamboree Variety Show will feature singers, musicians and dancers galore tomorrow night at Antioch Grade School auditorium. Many Antioch folks, loaded with talent, will participate in the show for the benefit of the Antioch Methodist Church's improvement of their parking lot.

Antioch area teens are invited to a "Dance for Teens" Friday at 8 p.m. at the Antioch Community High School.

Glen Morgan, 17, a senior at Antioch High School, will play the lead in Mr. L.S. Carouel Theatre production of "How to Succeed in Business Without Really Trying."

Man charged with \$798 theft; 2 teenagers arrested in burglary

Antioch police arrested three persons for two thefts last Wednesday, one involving the burglary of \$798 from Behnings Auto Parts in Antioch and the other involving two stolen car speakers.

Lt. Tom Fisher said police received a call at 7:36 a.m. June 12 from James P. Kruml, 31, of Antioch who reported he just arrived at Behning's, where he is employed, and found the back door open.

When a policeman arrived he found Kruml there alone and no signs of forced entry. Also, Kruml reported \$746 missing from the cash drawer as well as four gallons of antifreeze.

FISHER SAID IT was obvious to the officer when the store's assistant manager, Brian Bender, arrived that whoever entered the building had to have a key.

Bender informed the officer that a person who worked there two weeks previously and was relieved had not turned in his key yet.

Fisher started the investigation about 1 p.m. and said he learned from Bender that Kruml was upset with him for telling the officers about the key the other employee had. Fisher then made a criminal history check on Kruml and said he found there was a warrant for his arrest in Norridge for deceptive practices.

ONCE THEY WERE informed about the warrant, Chief Chuck Miller and Fisher went to Behning's to arrest Kruml on that charge.

Upon learning that Kruml was making a stop at Lyons-Ryan Ford in Antioch, police arrested him there under the Norridge warrant.

AFTER EXTENSIVE questioning, police said Kruml admitted to making a false report and the burglary of Behning's. Miller and Fisher recovered \$798 from Kruml's car trunk.

Fisher said "a lot of things did not add up" in the investigation. For example, the person who originally had the key to the building gave it to Kruml when he left and

did not tell anyone he did so. Kruml then falsely told police that he did have the key, but had lost it, Fisher said.

Kruml was charged with felony theft and taken to Lake County Court, where his bond was set at \$5,000. He remains there awaiting a preliminary hearing today.

IN ANOTHER THEFT, two Lindenhurst teenagers, James W. Dawe, 18, and Leno Allieri, 17, were arrested July 12 for theft and criminal trespass to property.

Fisher said at 2:10 a.m. two subjects broke into a 1964 Chevy Nova in the Advertiser parking lot on Rte. 173. The car belongs to employee Richard Gorski.

Two Advertiser employees said they observed two subjects take stereo speakers from the back of the car and then flee on foot into a nearby field.

POLICE WERE NOTIFIED and they, along with Advertiser employees, searched the field but could not locate anyone, Fisher said. Officers then checked the area and found a car parked in the Antioch High School lot.

They watched the car for about three hours and then, at 4:45 a.m., officers Robert Lange and Robert Stemm saw two subjects coming into the parking lot from the high school football field after having climbed a fence.

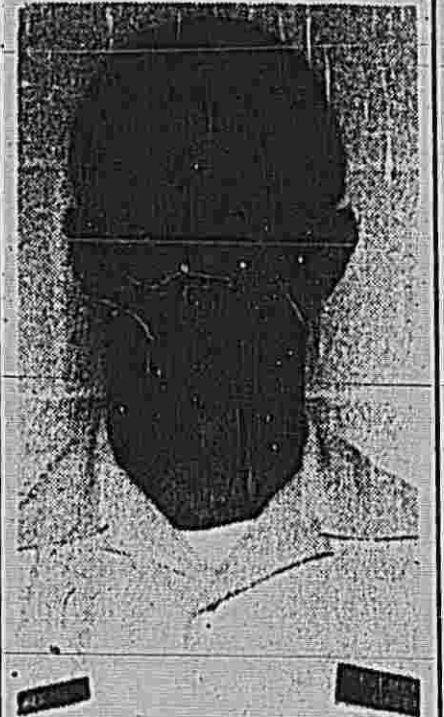

THE OFFICERS WENT after them on foot and the two subjects were cornered near the high school, Fisher said.

The two were taken to the Antioch police station and both were very wet, as though they were outside somewhere all night, Fisher reported. Both confessed to Fisher to breaking into the car and taking the speakers.

Going back and searching the field, police found the two speakers behind the Advertiser building about 100 feet into the field.

Dawe and Allieri were charged and taken to Lake County Court and released on a recognizance bond. They will appear in court for a preliminary hearing.

NAMES in the NEWS

ROBERT D. DUBEK

SAN ANTONIO - Cadet Robert D. Dubek, son of Mr. and Mrs. Richard D. Dubek of 23904 W. Lake Vista, Antioch, is participating in a U.S. Air Force Reserve Officers Training Corps field training encampment at Lackland AFB, Tex.

During the encampment, cadets receive survival and small arms training and aircraft and aircrew indoctrination. They also have the opportunity to observe careers in which they might wish to serve as Air Force officers.

Cadet Dubek, a student at Kansas State University, is a 1976 graduate of Antioch Community High School.

Technical class registration announced

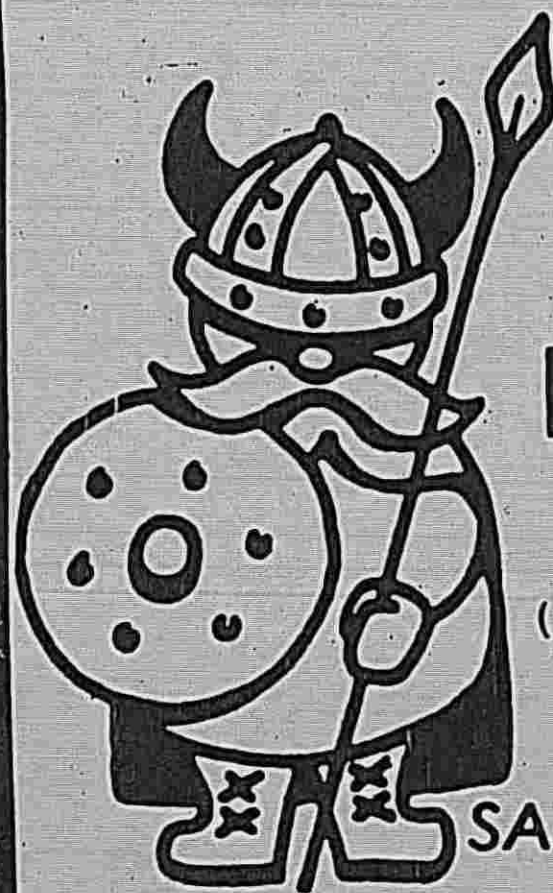

The College of Lake County (CLC) has announced registration times for several technical classes to be held this fall beginning Aug. 23. Registration is from 10

a.m. to 2 p.m. and 4 p.m. to 8 p.m. on Aug. 16, 17 and 18. Classes include refrigeration and air conditioning, architectural, building construction, fluid power, mechanical, electrical

electronics technology, welding and drafting.

Those whose last name begins from A-G register Aug. 16, H-O on Aug. 17 and P-Z on Aug. 18.

For further information on scheduling, tuition and fees, call John Shelton, division chairman at 223-6601, extension 292.

ANTIOCH VIKING FOOTBALL REGISTRATION

(\$15.00 For Each Additional Boy in the Same Family)

ANTIOCH SCOUT HOUSE
MAIN STREET

Next to the Antioch Library and Little League Baseball Field

Along the way with ANNIE MAE

After the village board named streets after Herman Holbek, Ray Toff and Bob Wilton Monday night, one of our writers turned to Judy Phillips and said:

"What? No Phillips Terrace?"

"They already have a Phillips Circle," smiled Judy. "They must have known I was coming to town."

The unhappy news is that George Phillips and his wife, Judy, a former village trustee and now a member of the planning commission, will be moving to Houston, Tex., as soon as they sell their home in Oakwood Knolls.

George is taking a new job with the Houston Light and Power Co. Needless to say, because of the way Judy has been willing to work so hard for the community, she regrets leaving Antioch. But she and George can make friends anywhere. Just so they keep in touch with us.

JENNIE ZIEGLER will be "80 years young" on Friday, July 21.

The former Antioch schoolteacher now lives in DeKalb, Ill., and Helen Borovicka of Reeves Drugs received a letter from Jennie's daughter, Mrs. Ruth Paige.

Said Ruth:

"Since our mother will be working on her birthday, we thought she would appreciate hearing from her Antioch friends on this eventful day. Mom is again managing the first-aid room at Del Monte Corporation until mid-September. She works 10 hours a day, 7 days a week. We have long since given up trying to persuade her to 'act her age.' She took college classes in Spanish so she can better communicate with the employees at Del Monte. She also took courses in sewing, income tax preparation and woodworking."

Want to send Jennie a card? Her address is Mrs. Frank A. Ziegler, 905 South 7th St., DeKalb, Ill. 60115.

WE ENJOYED A CHAT with Nina Bailey, who is here for another two weeks from Hemet, Calif., a little town near Palm Springs.

Nina is visiting her son, Sam, and daughter-in-law Judy, and Dr. and Mrs. Charles Solar. Nina lived on Grass Lake Rd. for about 20 years before moving to California five years ago. Her daughter Josephine (Mrs. Fred Hillinburg) is there.

Sam and Judy entertained 17 couples at a lawn party last weekend and Nina was the guest of honor. Monday she talked with Mike Haley and told him how happy she was that he had become mayor of Antioch.

Nina made an interesting observation. When she lived on Grass Lake Rd. they called it Loon Lake Rd. and, she said, "I think that's more appropriate."

WE ENJOYED the following item from parish bulletin of the Millbush Congregational Church:

"Chain Letter to the Laity: This chain letter is guaranteed to bring happiness to those congregations who would like to have the angel Gabriel as their pastor. Unlike some chain letters, it requires no money. Just send a copy of this letter to six churches who are tired of their minister, then bundle up your pastor and send him to the

church at the top of the list. Add your name to the bottom. Within one week you should receive 16,436 ministers and one of them should be a dandy. Have faith in this letter. One man broke the chain and got the same minister back!"

THIS WEEK WE HAVE birthday greetings for two young people - Danny Yanka, who will be 3 on Friday, and Anna Zalatoris, who is still young and will be .84 on Thursday.

Millie Gaston also celebrates on Friday and Lee Ipsen's clan will flock around him for birthday fun on Sunday.

Neither Millie nor Lee have told us their ages lately, but gosh - they must be in their late thirties by now.

It wasn't Lee, but another member of the Rotary Club who told me:

"If there is life on Mars, it must be intelligent. They didn't spend \$30 billion to see if there is life on earth."

Names in the NEWS

THREE UNIVERSITY of Illinois - Champaign-Urbana students from Antioch have been named to the dean's list for spring semester.

They are John James Kakacek of Rte. 3, Gregory Nordstrom of 516 First St. and Kathleen Poskozim of Rte. 1.

To be eligible for the dean's list, a student must rank in the top 20 percent of his or her college class or curriculum. Kakacek is a member of the college of Applied Life Studies. Nordstrom is of the Engineering college, and Poskozim is of the Fine and Applied Arts college.

THE TOWN CRIER

Continued from page 4

means he has spent about 30 hours at his office (the pitching mound). Since the season is half over, he has been paid \$20,000 for that 30 hours of work.

SOME MAY SAY, "but baseball players must practice and work out." Yet how many of us, if we could spare and find the time, would like to practice and work out that much just to be in shape and feel good?

In order to reach the big leagues, we presume Knapp was a big star as Little Leaguer and high school player. God blessed him with an exceptional talent. Maybe he has an inflated opinion of his importance.

At 24 he plans to start over? In what field is he going to have the life which he now isn't mature enough to appreciate?

The star nearest to earth is four light years away; that's 25 trillion miles.

Learning disabilities teacher is selected

By LINDA BARNES

At a special meeting Tuesday, July 17, the District 34 school board voted to fill the learning disabilities position at the Upper Grade School by a Mrs. Constant Bergeson for the school year 1978-79.

The candidate was suggested by Dr. Donald E. Skidmore, new superintendent of the grade school district, who requested that a one year contract be provided.

DR. SKIDMORE SAID he would like to further examine the learning disabilities services offered in the district, as he presently finds the staffing for learning disabilities purposes to be disproportionate to his previous experience.

Mrs. Bergeson holds a BA degree with six hours of course-work beyond this degree, one year teaching experience and one year's experience as a teacher aide in a SEDOL program. Her starting salary would be \$10,764.

Since the decision regarding the learning disabilities teacher had twice been tabled until Dr. Skidmore took over as superintendent, the original candidate for the position, Jennice Fritz, became unavailable for consideration. As of the last school board meeting (June 20) she had decided to sign a contract with SEDOL.

The school board voted to accept "with regrets" the resignation of Mrs. Rebecca Adair, a fifth-grade teacher at Oakland. Mrs. Adair's position will not be replaced.

Rather, classrooms will be reorganized to compensate for the loss of one teacher. The three sections involved will now each hold 29 students.

THE SCHOOL BOARD approved a \$450 expenditure for the improvement of the present alarm system at Oakland School.

A new budget format, introduced by Mr. Ron Chilcote, business manager, was approved. It would modify in certain ways the present budget format and would also provide a good deal of additional background information.

Mr. Douglas A. Pekkarinen, Waukegan, the architect for various construction projects in the school district, reported that a good deal of progress has been made and that all contractors seem to be keeping up well with their work as per schedule.

AT ANTIOCH LOWER Grade School, however, it has been found that the bell system is interfering with the alarm system. This is in violation of school codes.

Mr. Pekkarinen requested an additional \$400 to modify the sound system and bring it to compliance with acceptable code regulations.

Dr. Skidmore felt that the contractor should bear partial or full financial responsibility for this work, since it resulted from an oversight on the part of the contractor. However, since the school cannot be opened without a proper fire alarm system, Dr. Skidmore suggested that approval be given for the work to begin.

Discussion of who bears the final responsibility for this oversight, Dr. Skidmore said, could then be held between himself and the contractors at a later date.

APPROVAL WAS GRANTED by the board to begin work on the fire alarm system at Antioch Lower Grade School as soon as possible.

Problems have also developed with the fire alarm system at Oakland School, reported Mr. Pekkarinen. It has been discovered that electrical conduits have become rotted out. New cable conduits will be needed. In addition to this, further electrical work will need to be done at Oakland.

At the suggestion of Dr. Skidmore, the board voted to empower the building committee to act on a change order to have the contractors begin electrical work at Oakland School not to exceed \$2,500.

The Rodick petition was also approved by the board. This petition involved four homes within the Lake County district which bordered on the McHenry County district. Four homes on one road were included in Lake County and the other four homes on the same road were included in McHenry County.

The Rodick petition requested to have the four homes detached from Lake County and attached to McHenry County so that the Antioch school district would no longer bear responsibility for the busing and schooling of the children in the homes.

Following the approval of the Rodick petition, the school board went into executive session. Topics to be discussed in executive session were personnel negotiations and alternate bids proposed for the new K-5 school.

Streets renamed after Holbek, Toft, Wilton

Continued from page 1

few bid spots just east of the high school football field.

Mrs. Sterbenz also will advertise for bids for the resurfacing of various village streets.

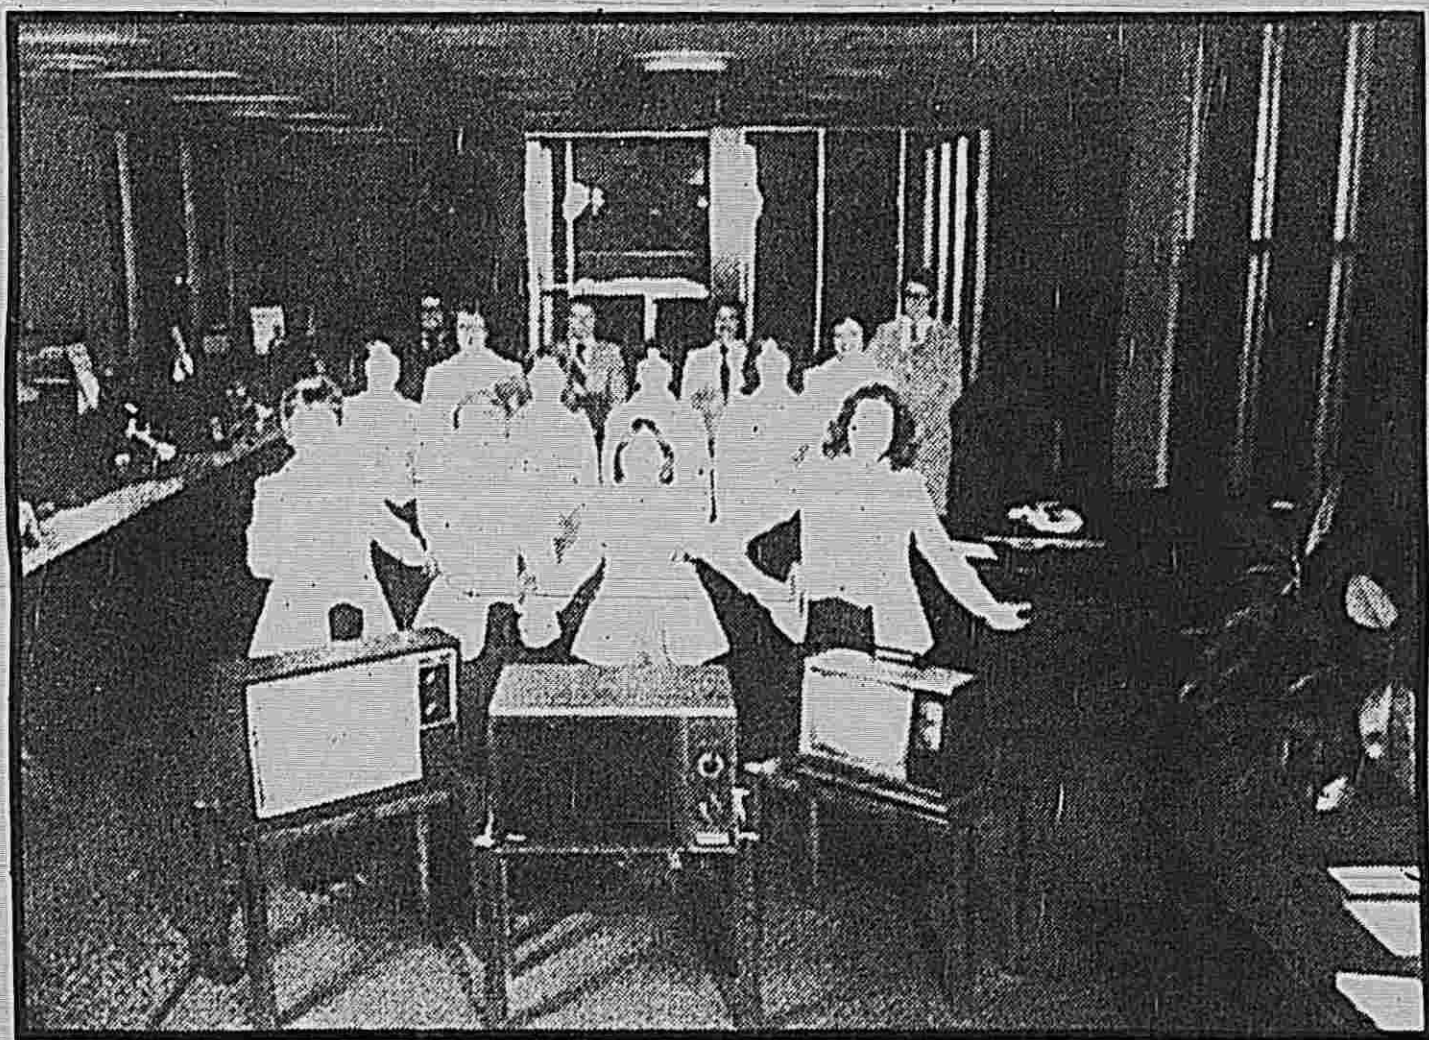

BIDS WERE ACCEPTED for a new fire department equipment van. The contracts weren't awarded—they were sent to committee—but Pedersen Bros. Implement Co. made the only bid on the chassis, \$5,235, and the Great Lakes Fire Equipment Co. turned in the low bid on the van's body, \$22,795.

A village ordinance was passed pertaining to assault, battery and reckless conduct.

"Reckless conduct" is committed by a person "who causes bodily harm to or endangers the bodily safety of an individual by any means."

Violators of the ordinance will be fined not less than \$25 nor more than \$500 for each offense.

Making good things happen.

Join Our Celebration of Growth

Antioch Savings has doubled in size from \$26 million to \$52 million in less than a two year time period. Fantastic! We want to thank you for your tremendous support.

There are some new changes that you will like. Newly remodeled and expanded facilities with some new people joining the staff, make Antioch Savings more convenient than ever before to meet your financial needs. There are: Three New Accounts That Pay... The 8 year, 8.45% yield Certificate of Deposit. The Money Market Certificate... and the 5 1/4% Golden Eagle Passbook Account. In short, Antioch Savings has grown in size and service. Come in and see the new changes and while you're at it, take advantage of the special Zenith TV and Litton microwave oven offer.

Here is your chance to get the highest interest rates allowed by law on your savings and a terrific bargain on a TV, microwave oven, or a selection of other free gifts on display in the lobby. Check the chart and you'll agree that this offer is too good to pass up. Hurry, offer ends August 1, 1978. Get full details when you come in.

GRILLING THE HAMBURGER for the taco feast is Kathy Skupien.

Students learn art of taco-making in school

The Title I program for incoming freshmen at Antioch High School offers students more than sitting behind a desk all morning. Besides learning to improve their reading, listening, writing and speech skills in various classes, the students participate in a short cooking session and recreation period almost everyday.

Linda Therry and her assistant, Nancy Fucela, teach the students cooking skills in daily 25-minute sessions. Thus far in the six-week program students have made such things as pizzaburgers, turnovers, popcorn balls, surprise hamburgers and banana splits. Miss Therry explained that cooking incorporates reading skills in following recipes and listening to rules. The entire program is directed by Gary Allen.

LINDA THERRY, right, and Asst. Nancy Fucela, cooking class instructors, prepare some of the ingredients to be used in the next class.

MARY BETH KOENIG, left, and Sue Caliendo fill their tacos with cheese, tomatoes, lettuce and hamburger.

TODD SYBOR, left, munches the finished product while classmate Darin Streich also

enjoys the facos.

Antioch's commerce means more traffic

Continued from page 1

Kodiak gun and tackle store. Other shops are being built.

In the near future, we can look forward to a rather extensive shopping center in front of the Harbor Ridge golf course at the corner of Route 59 and Grass Lake Road.

IN THE PLANNING and construction of these shopping centers, consideration has been made for Antioch's present wide

Growth is reflected in retail sales

consumer market and also those who will be moving into the area as a result of new construction in various subdivisions.

Total taxable retail sales for the village of Antioch reveal a clear and marked increase from previous years. From 1970 to 1973, there was a 42.5 percent change. From 1973 to 1977, there was a 51.8 percent change.

YEAR	TAXABLE RETAIL SALES
1970	\$22,850,000
1973	32,576,000
1977	49,450,000

Linked with a community's commercial activity and with the buying and selling of land and houses are, of course, the community's financial institutions.

Antioch has three: the State Bank of Antioch, the Antioch Savings and Loan Association, and the First National Bank of Antioch, all of which report growth and expansion since their beginnings.

Mr. LaVerne M. Woods, president of the First National, reports a steady rise in the bank's assets. From assets of approximately \$7 million in 1966, the figure has risen to \$39 million for 1977.

Mr. Woods said this growth is definitely related to the increase in commerce and housing construction in the area, as well as an over-lapping in the growth of businesses in the Waukegan area. On a broader scale, nation-wide inflationary trends must also be taken into account, Mr. Woods adds.

Mr. William E. Brook, president of State Bank of Antioch, also reports a steady increase. In 1968, total resources were over \$27 million. As of June, 1978, total resources had risen to approximately \$79.9 million.

Mr. Thomas J. Kelly, president of the Antioch Savings and Loan Association, reports a "boom-type" growth for his institution in the past two years.

"We've had super growth. We've doubled our assets," said Mr. Kelly.

PART OF THIS spectacular growth can

PEOPLE COME HERE to shop and spend money and, ironically, that contributes to the traffic problem. This photo was taken last Saturday when cars were lined up for a block at stop lights.

be attributed to general patterns of growth for the entire Savings and Loan industry. But Antioch Savings & Loan increases are well beyond these national patterns, says Mr. Kelly.

Mr. Kelly said he has attempted to direct the financial institution into more local commercial loans. Antioch Savings and Loan is presently financing such projects as the country club development at Harbor Ridge.

Both Mr. Kelly and Mr. Woods said that presently the demand for loans is much greater than the money they can get into

Banks' assets continue to rise

their banks. Many loans are in demand, but they simply do not have enough deposits to supply this demand. This can be partially attributed to general national trends, said Mr. Kelly.

Mr. Brook, Mr. Kelly and Mr. Woods all perceive the general economy of Antioch to be healthy, diversified, stable and growing.

Mr. Kelly describes Antioch's economy as "very excellent."

Mr. Brook describes Antioch's economy as "rapidly expanding."

"I feel right on the edge of much activity here," said Mr. Brook, who sees the growth as encompassing not only Antioch but all of western Lake County.

"I don't think there are any limits to the future of western Lake County," he said.

Mr. Woods feels we should concentrate on keeping stores in the Lake and Main

street areas as well as on state highway 173. He feels it to be highly important that merchants in the downtown area remain active.

ALONG WITH COMMERCE, industry plays an unavoidably significant role in the economy of the village. The installation of light industry in the village has been a sensitive, controversial topic, for there are a number of community members who are opposed to industrialization within the community.

However, there are many others who feel that the maintenance of our present industrial park and the addition of further light industries are absolutely vital for the future of Antioch.

Antioch's mayor, Mr. Michael J. Haley, maintains it is imperative to strike a healthy balance between the residential and the industrial in a community. Businesses contribute substantial real estate taxes, therefore removing some of the burden from the community's homeowners. They also create more bread-

New industry is sensitive topic

winning type jobs, which can only improve upon the well-being of the community.

Mr. Woods, of the First National Bank, maintains that Antioch must concentrate on industrial growth now.

"If they don't do something to bring in more industry, they will have a bedroom community ... then tax and school problems," says Mr. Woods.

PRESENTLY, THE VILLAGE is making plans for the erection of further light industrial sites. Some of the newly acquired annexed land near the state line will be utilized for manufacturing purposes.

It remains to be seen as to how the majority of community members truly feel on this somewhat controversial issue and whether they will strongly oppose directions currently being taken towards increased industrialization in Antioch.

All of this growth within the commercial and industrial realms of the community brings, quite naturally a good deal of movement of people in and out of the community. And this, in terms of our modern-day modes of transportation, means more traffic ... and more traffic problems.

Says Mr. Walt Shepard, Antioch's superintendent of public works, "That's got to be one of our most pressing problems right now ... what to do with traffic and how to handle it."

MR. SHEPARD ALLUDES to the irony of the situation, for the very people contributing to the traffic situation, shoppers and tourists, are also the people who bring money into the community and therefore contribute to the village's maintenance.

As can be easily imagined, the traffic in Antioch is at its worst each day from about 3 p.m. to 4:30 p.m. and of course on the weekends. In one traffic count done last October, figures showed 1,115 cars at the corner of Hillside and Lake moving into town within an eight-hour period.

MR. SHEPARD WISELY points out that the village does not want to get into a situation where people stop coming to Antioch because of impassable traffic stoppages.

It is for this reason that the village board is searching for a committee of traffic engineers to examine the traffic system and determine ways in which the system can be improved.

Any concrete steps towards the alleviation of Antioch's traffic problems must await the hiring of a traffic committee and their subsequent findings and recommendations.

But Mr. Shepard assures us that it is certain that he, his staff, and the village board are not only aware of Antioch's traffic problems, but working hard to solve them as quickly and as soundly as is possible.

NEXT WEEK, we will examine one of Antioch's finest assets, something which has frequently been mentioned as one of the village's stronger points of attraction ... its diversified and highly inclusive community services.

Happenings in and around our community

THE NEXT regular meeting of the Chain of Lakes-Fox River Commission will be held Friday, July 28, at 1:30 p.m. at the Fox Lake village hall.

"SOMETHING TO Live For," a love story filmed in Hong Kong, will be shown

at the Antioch Free Church on Sunday at 8:30 p.m.

In the film, Mei, Yu, an American Chinese girl, crosses the Pacific to Hong Kong to get close to her cultural heritage. She meets Ching Kim, a refugee from mainland China. What begins as a

simple love story is soon exploded by her revolt at coming all the way from America to be confronted by a Western religion.

THE INTERNATIONAL Meditation Society will present an informal lecture on the TM technique on Wednesday, July 26, at 7:30

in the evening at Antioch Township Library.

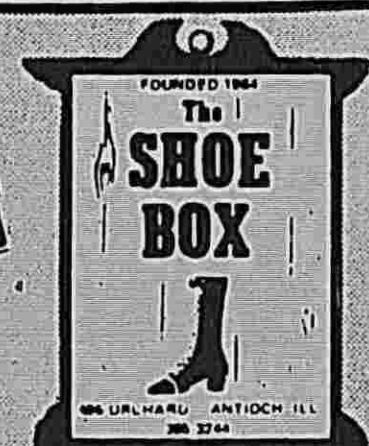

A TM teacher will discuss "Developing and Enjoying an Evolved State of Life Need Not Be Left to Chance."

The public is welcome. For additional information, call 223-8696.

Stillsons to celebrate Golden Anniversary

Mr. and Mrs. Melvin Stillson will celebrate their Golden Wedding Anniversary with an open house at 2 p.m. on Sunday, July 23 at their home, 1049 Spafford in Antioch.

They said they are hoping their many friends, including former students of both will drop in.

Hosting the event will be their children Melfred and his wife Delores and Dee and her husband Michael and the grandchildren. The Stillsons have 10 grandchildren and three great grandchildren.

Mr. Stillson was Industrial Arts Instructor at Antioch High School for 36 years, retiring in 1970. Mrs. Stillson was a first grade teacher at Lake Villa and B.J. Hooper School in Lindenhurst for 18 years, retiring in 1975 but still substituting occasionally. Prior to that they taught six years in Watertown, S.D.

Mel and Goldie Stillson were both born in South Dakota and met at college. Mel was a senior and a star in track, football and basketball and also one of Goldie's teachers. Goldie was a freshman and a former Beauty Contest winner.

They had their first date about Thanksgiving time and Mel "pinned" Goldie in the spring with his fraternity pin and they "eloped" on July 5, 1928 and after buying the wedding ring, obtaining the license and finding an Episcopal Church and minister, they were married at 6 p.m.

Their plans of keeping their marriage a secret fell by the wayside when they met a neighbor of Mel's staying at the same hotel. He relayed the news to Mel's relatives in Madison, S.D. before the newlyweds returned.

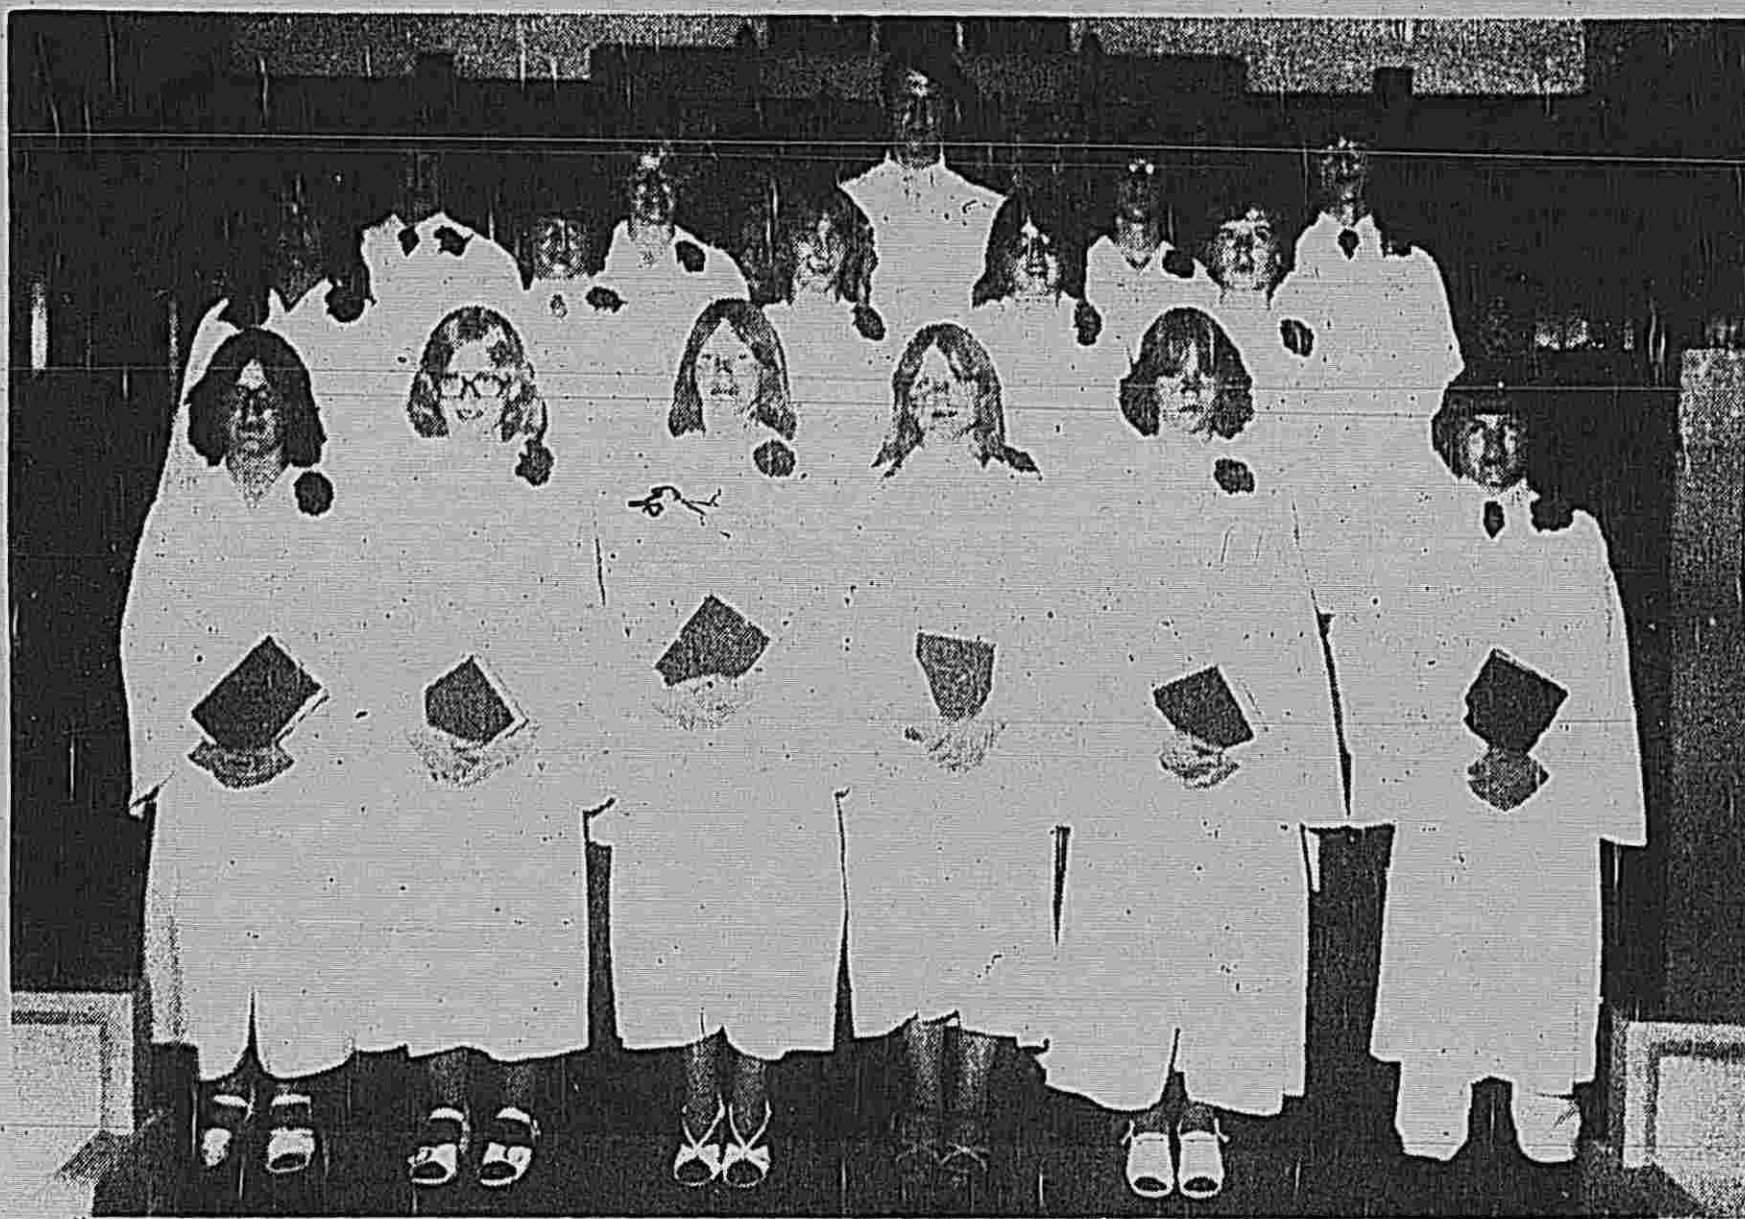

Goldie had to resign her teaching position near her hometown of Volin, S.D. because married women were not allowed to teach.

That fall in 1928, they started their new married life and new teaching jobs in Watertown, S.D. coming to Antioch the fall of 1934 where they have resided ever since.

Relatives from South Dakota, Minnesota, Michigan and Illinois are expected for the Open House as well as local friends and former students.

MEL AND GOLDIE STILLSON

THE CONFIRMATION CLASS at Faith Evangelical Lutheran Church posed with Pastor Darald Gruen. Front row from left: Wendy Barth, Patricia Smith, Carol Blecke, Lorrie Jette, Kelli Schaefer and David Gall.

Second row: Elizabeth Schuett, Kent Martin, Tracy Witt, Kathy Martin and Kathy Hofmann. Back row: William Rockow, Shelley Turner, Pastor Gruen, Darci Krahn and Gregory Schuett.

Free TB chest x-rays to be offered Thursday

A free mobile chest x-ray unit will be available to Antioch residents this Thursday from 1 p.m. to 4 p.m. and 5 p.m. to 8:30 p.m. at 910 Main St.

Those age 18 or older are invited to take advantage of this offer, sponsored by the Lake County Tuberculosis Association. While the unit was in Antioch last year, 228 persons had chest x-rays taken.

THE TUBERCULOSIS Association said new active cases number 34,000 and there is estimated 15 million people who are infected with the TB germ and could develop TB illness; 47 cases of TB have been found in Lake County last year.

They said with early detection and treatment they can help to eradicate this disease.

THE LAKE COUNTY LUNG association said they have geared their 1978 programs to help more people who have

respiratory diseases.

Chest x-rays can detect emphysema, cancer, heart conditions, TB and other respiratory diseases. If findings are indicated, individuals will be referred to their own family physicians for follow-ups.

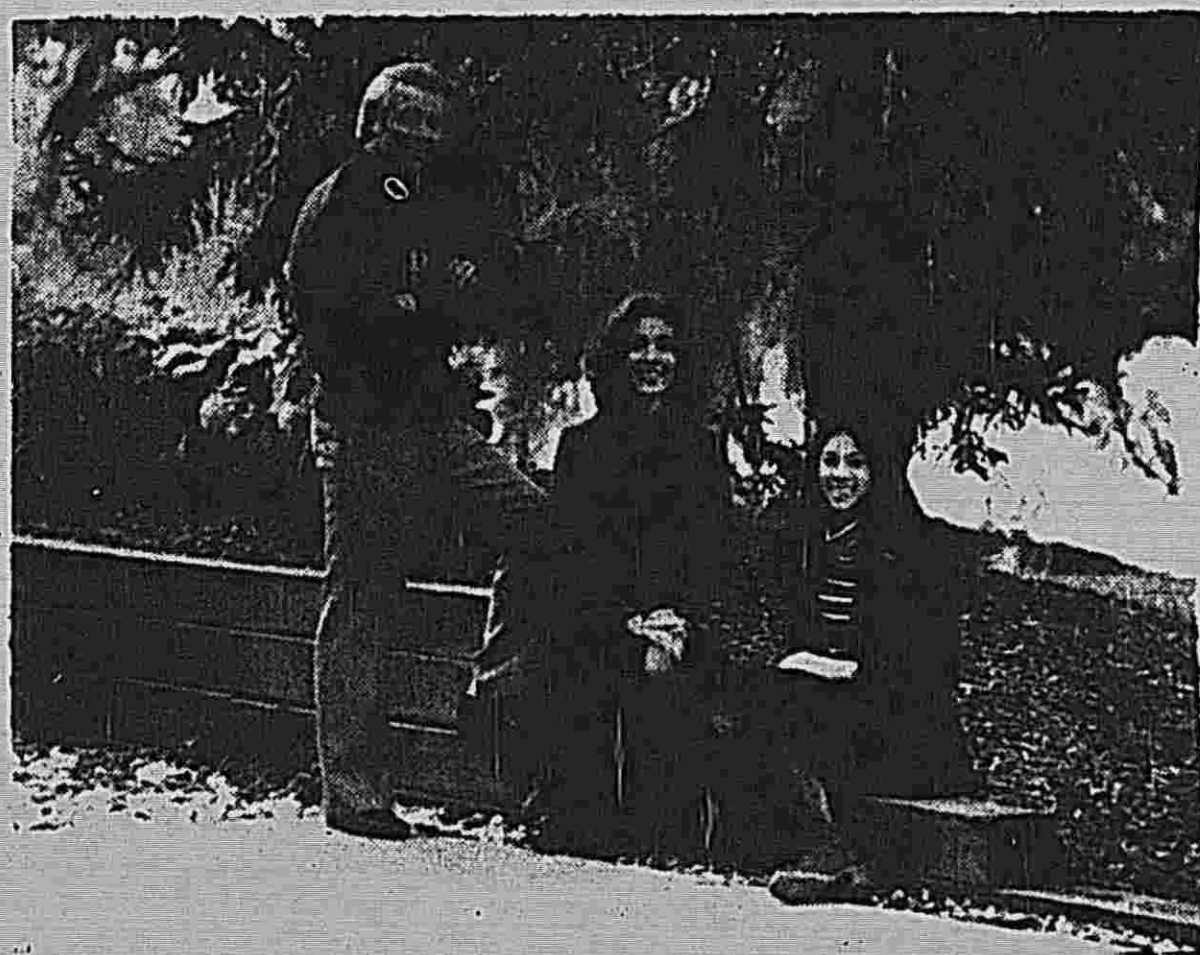

SERVICES THAT THE LUNG association provides for the people of Lake County are education pamphlets, film, radio and TV material participation in smoking withdrawal clinics, medical research programs, stipends for qualified students to help further their education in Lung Diseases along with the free mobile x-ray unit that provides yearly x-rays to anyone 18 years of age or older.

Those who would like more information about Tuberculosis or Respiratory Diseases may call the Lake County Lung Association's office to obtain a free catalogue of all materials available. Phone: (312) 623-1805 or write to them at 813 Washington St., Waukegan, IL 60085.

Lake County Fair set for 50th year

This year the Lake County Fair, which kicks off Wednesday, July 26 and continues through July 30 at the Rte. 45 and Center Street entrances in Grayslake, will be celebrating its 50th years as a county fair.

THE FAIR WAS ORGANIZED in 1928 and began as a home economics show and later added poultry and livestock. Since then, the fair has continued to grow and now includes a 4-H and commercial department with many entertaining activities, fair organizers said.

THE FAIR IS owned by the people of Lake County who purchase memberships each year. The fair association now owns 64 acres of land and has erected 18 buildings on the grounds.

Everyone is invited to come out to the fair and enjoy the home and farm exhibits, 4-H activities, horse shows, rodeo and demolition derby.

A horse pulling contest is featured on Wednesday evening, an antique and garden tractor pulling contest will be held Thursday evening and a heavy tractor pulling contest is set for Sunday afternoon.

There will be entertainment for all ages, organizers said with free parking and a free grandstand.

Happenings

LLOYD PEDERSEN of Antioch will be featured as a vocalist with Wayne King's world-famous orchestra, appearing at Hawthorn Center, the shopping center just south of Libertyville.

The concert takes place outdoors in the north parking lot at 9:30 p.m. on Thursday, July 27. The concert is free and chairs are provided for guests, or they are invited to bring their own lawn chairs.

BE WISE: ADVERTISE!

2 longtime pen-pals meet after 34 years

Dolly Radke of Antioch had been writing her "pen-pal" in Israel for 34 years, ever since she was a Girl Scout in Evanston. A lot of Girl Scouts have pen-pals over the world, but they don't keep up correspondence like that.

Last week Dolly finally got the chance to meet Ruth Lidor of Ma-Ariv, Israel, for three brief hours at O'Hare Field in Chicago while the two exchanged memories and tears as if they had grown up together.

And in a way, they had. Dolly found Ruth's name in a Girl Scout magazine when she was a young girl and began writing her. Ruth's last name was then Narod and she lived in England, where her father owned a large printing company.

THE TWO EXCHANGED letters often, even through high school, as Dolly moved to Antioch her freshman year.

They kept up the correspondence when Dolly became Mrs. Richard Radke and Ruth married Michael Lidor and settled in London. Ruth then moved to Israel seven years ago when her husband was offered a job with the Ma-Ariv evening newspaper, near Tel-Aviv.

Ruth always wrote and told Dolly that some day the two would meet, but Dolly said she never really believed that.

THEN RUTH WROTE Dolly and told her she was going to travel to the United States soon for a six-week tour. She had many relatives in the states whom she had never seen.

Ruth wrote from San Francisco and gave an itinerary of her trip. Dolly called her when Ruth was in Denver and the two arranged to meet in Chicago for three hours on July 9, before Ruth transferred to another plane for Buffalo, N.Y.

Carrying pictures which the two exchanged for recognition of one another, Dolly and her husband Dick went down to the airport for the eventful premiere meeting.

Dolly Radke (left) and her friend from Israel meet at O'Hare Field.

DOLLY HELD A SIGN that said, "Hi Ruth, It's Me," as she surveyed the people at the airport. Then Dick spotted Ruth's husband and 15-year-old son, Gilead, and Ruth standing and looking around ... so he walked up to them and said hello.

The two women excitedly rushed toward each other, Dolly said tears flowed and they engaged in a non-stop three hour conversation.

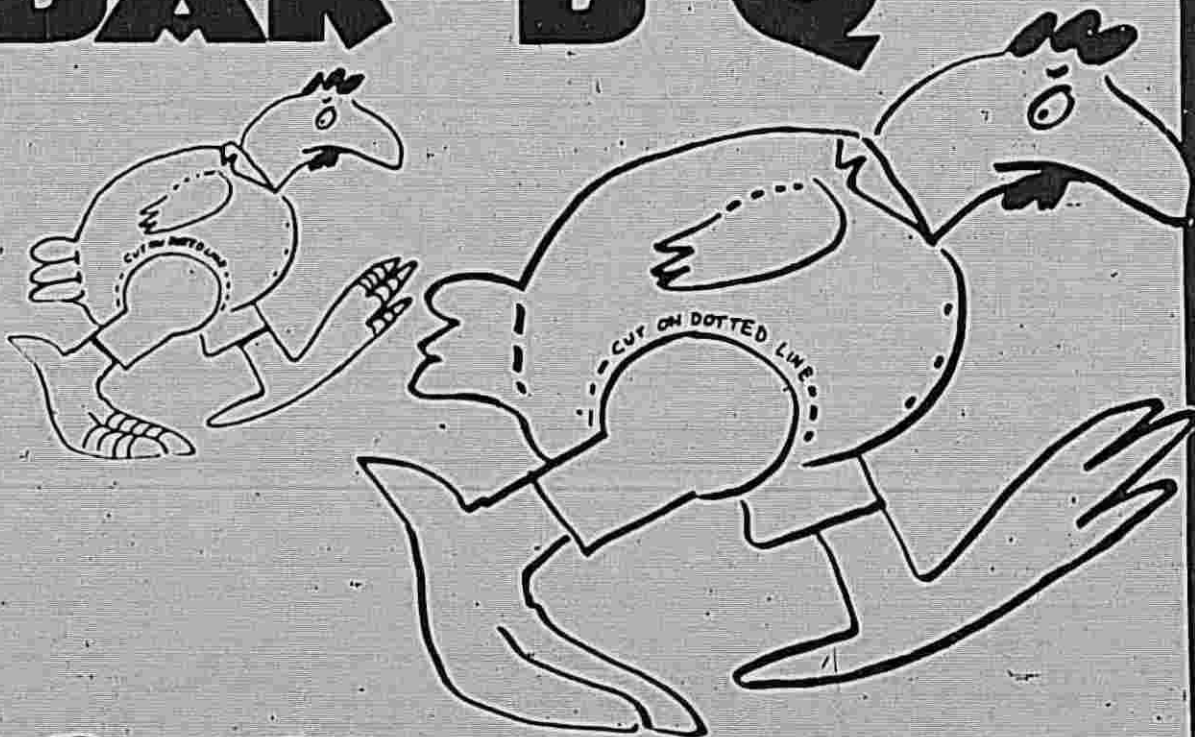

Ruth told Dolly that she considers herself lucky to live in the Israeli suburbs where there is no fighting in the ongoing Israeli-Palestinian conflict. She also mentioned that she was impressed with the cleanliness and politeness of America and the friendliness of the people.

RUTH IS EMPLOYED as a proofreader for authors of books, a business she is familiar with since her father was in the printing business.

Dolly said her brief meeting with Ruth was one of the highlights of her life and that she hopes someday she and Dick will be able to visit Ruth in Israel. She would also be able to visit Jerusalem, since it is only an hour away.

Until that reunion, however, the two will be corresponding as they have diligently for the past 34 years.

Governor expected at County Fair

Illinois Gov. Jim Thompson plans to attend the Lake County Fair on the afternoon of Friday, July 28.

The only thing which may prelude his visit is the arrival of a new son or daughter, according to J.B. Clavey of Highland Park, who made the announcement.

Gov. Thompson will greet fair-goers in the Republican booth in building 1. County Republican candidates are planning to attend during the five County Fair days, July 26-30, in Grayslake. Hours are 11 a.m. to 11 p.m.

DURING MOST AFTERNOONS aides from Congressman Robert McClory's office will be in the Republican booth to meet with constituents who might have problems they can help with. McClory will attend the fair on Saturday, July 29.

State Rep. Betty Lou Reed or her aides will be in the booth throughout the fair.

Sheriff candidate Tom Brown plans to attend the fair each day as does candidate for treasurer Jack "Red" Anderson.

St. Peter's Women plan luncheon

St. Peter's 50th Annual Salad Bar Luncheon is being planned for Saturday, Aug. 19, in St. Peter's Social Center. Tickets will be on sale after Thursday at St. Peter's Rectory, the local banks, and from members of St. Peter's Women's Club for a donation of \$3.50 per person, according to Pat Shaffer, ticket chairman.

In August of 1928, the women of Antioch were invited to the Channel Lake home of the late Mary Brandt for the first August Card and Dessert Party, and the tradition has been continued in August each year.

After the first couple of years, the location was changed to St. Peter's Church, and over the years the women added to the menu and the August Card and Dessert Party became the Salad Bar Luncheon.

TODAY, AS IN 1928, the purpose of this annual event is to raise money for St. Peter's parish. In 1928 the present church building was in the planning stages and the women of the parish wanted to do their part in helping to raise the necessary building funds.

This year the money is needed to help pay for the necessary replacement of the roof on a portion of the school building, and to replace the sidewalks around the Rectory.

The Salad Bar Luncheon is sponsored by St. Peter's Women's Club, but it is really a parish project. All of the women of the parish are asked to help by providing the large variety of casseroles, salads, and desserts to be served along with the meal, which this year will be turkey breast and Hawaiian meat balls.

The merchants of the parish can also help by donating one of the many raffle and door prizes to be won by those attending the Salad Bar Luncheon.

IN ADDITION TO THE delicious luncheon that is planned, a musical revue will be presented entitled

"Golden Moments." Sheila Schroeder is in charge of this program and has some talented people assisting her. Chairman Betty Hope said, but she could still use a few more.

If you are adept at doing the Charleston, if your feet are itching to do a little Boogie Woogie, or if you like to sing, volunteer your talents by calling Sheila at 395-1547. Rehearsals will begin next week. Professional we are not, but we will have fun, Hope added.

TO SING AT WILMOT- Country and western singer Barbara Fairchild will bring her show to the Kenosha County Fairgrounds on Sunday, Aug. 13, with performances at 3:30 and 8:30 p.m. from the free acts stage. Popular for her records, "The Teddy Bear Song" and "Baby Doll," Miss Fairchild won a nomination as "Top Female Vocalist of the Year" in competition with Loretta Lynn and Tammy Wynette. The 58th annual Kenosha County Fair in Wilmot opens Wednesday, Aug. 9, and continues through Sunday, Aug. 13.

'No, No, Nanette' opens next week

The nostalgia craze will soon be in full swing at the PM&L Theater, 877 Main St., in Antioch.

"No, No, Nanette," often called "the new 1925 musical," opens Friday night, July 28. Later performances are scheduled for Saturday, July 29, and Friday, Saturday

and Sunday, Aug. 4, 5 and 6.

The curtain rises for all shows at 8:30 p.m.

LONG KNOWN AS "the happiest show in town," the musical is famous as the vehicle for the tunes of Vincent Youmans: "Tea for Two" and "I Want to be Happy," two of the most successful showtunes, are featured in this production.

Other musical numbers are "You Can Dance With Any Girl at All," "Too Many Rings Around Rosie," and "No, No, Nanette."

The PM&L production is directed by Tom Hausman, with Elmarie Beno as stage manager, Eva Harper as music director, and Pam Guardi as choreographer.

MUCH OF THE ACTION of "No, No, Nanette" is set in the Atlantic City of the 1920's. The light-hearted book is by Otto Harbach and Frank Mandel.

The PM&L cast includes Lillian Allen, Dorie Hubbard, Don Beveroth, Dena Fabry, Bill Baum, Rosline Scheske, Peter Thelen, Pam Guardi, Dee Baum and Irene Hahn.

The singing and dancing chorus includes Tracy Kiedlerlen, Robin Mercier, Pat Poskosim, Stacie Slazes, Dave Krostal, Steve Swanson, Pat Basf and David Beno. "Call 395-3055 to make reservations," Hausman said.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - A change of routine may now be required in order to add new perspective. Although domestic obligations should be reckoned with, do so diplomatically.

TAURUS [April 20-May 20] - Short travels are indicated and beneficial; enjoy communicating with friends and neighbors. Concentrate on doing good public relations work.

GEMINI [May 21-June 21] - Your abilities to enhance present financial status is better than average. Be on the alert for new ways and means of improving issues concerning money.

CANCER [June 22-July 21] - You can achieve those goals you've been aiming for now through ingenuity, creativity. Work on developing skills to their fullest potential.

LEO [July 22-August 21] - Plan the week on a day-to-day basis; long range aims tend to lose momentum. Be more actively involved in civic affairs, lend assistance to those less fortunate.

VIRGO [August 22-September 22] - A good time to gad about with friends but keep associations strictly on the up and up. Rely only on close ties whose reputations are above reproach.

LIBRA [September 23-October 22] - Put forth the extra effort to achieve harmony with those in authority. Some concessions may be required now. Lay the groundwork now for a brighter career.

SCORPIO [October 23-November 21] - An opportune time to improve business obligations, ties with partner. Work together on new ventures that hold good financial promise.

SAGITTARIUS [November 22-December 20] - Philosophical tendencies are increased now; answers seem to come more readily. Slow down the pace so new experiences can be enjoyed to the fullest.

CAPRICORN [December 21-January 20] - If you can put off partnership commitments or legal issues temporarily. Try to be objective when differences of opinion occur.

AQUARIUS [January 21-February 19] - Avoid over work and physical strain which could affect health. Look at present situation objectively, then decide where the importance lies.

PISCES [February 20-March 20] - Romantic ventures are heightened; a good time to renew old acquaintances. Plans can be smoothly and efficiently-carried through this week.

Gibson brothers to wrestle in national

Marvin and Jon Gibson qualified for the United States Wrestling Federation national championships by placing second in the Illinois Greco-Roman state championships Saturday at Navy Pier in Chicago.

The USWF annually holds a national championship in the international styles of wrestling at the University of Iowa.

Championships are held in freestyle and Greco-Roman and attract wrestlers from 30 states in this the largest high school age tournament in the world.

To qualify, wrestlers must place first, second or third in their state tournaments.

MARVIN GIBSON, WRESTLING at 132 lbs., placed third in the freestyle competition and second in the Greco-Roman in Illinois competition.

He will wrestle in both styles at the national competition.

Marvin also placed sixth in this year's high school wrestling tournament which ranks him as one of only four wrestlers to place in all three wrestling styles.

JON GIBSON, WRESTLING at 115 lbs., placed second at the Greco tournament to qualify for the national competition.

Jon was injured and was not able to compete in the state freestyle tournament.

Marvin and Jon will depart Saturday for the University of Illinois where they will compete in a three-day camp to prepare them for the national tournament.

They will begin wrestling in the nationals on Tuesday.

"THE SPIRIT OF CHICAGO" driveaway at Lake Geneva, Wis., featured special edition

Ford vans, one of which was driven to Lyons-Ryan Ford in Antioch.

"The two greatest stimulants in the world are youth and debt."

Benjamin Disraeli

Driveaway features special edition van

Lyons-Ryan Ford in Antioch participated in the "Spirit of Chicago" Driveaway on June 1st and 2nd at the Playboy Club in Lake Geneva, Wis.

The event, sponsored by the Chicago District Ford Dealers, was highlighted by dealers taking on-the-

spot delivery of their "Spirit of Chicago" vans. These special limited edition conversions feature a custom-painted Chicago skyline mural, the city flag painted on the hood and a silver velour, has a carpeted floor, doubler bay windows, two high-back, two barrel chairs, a rear sofa bed and other appointments. When each is sold, the owner will receive a commemorative plaque to certify the van's limited-edition status.

Kevin Lyons of Lyons-Ryan was transported to Lake Geneva where he enjoyed an evening cocktail cruise on the lake, a dinner and show at the Playboy Club, a Friday morning breakfast and the spectacular driveaway which concluded the two-day event.

Tim Boese, Ford's Chicago District Light Truck Merchandising Manager, and coordinator for this driveaway, observed excellent attitudes at being able to offer such a limited edition conversion at their respective dealerships.

The "Spirit of Chicago" vehicle is displayed at Lyons-Ryan along with Ford's other models of industry-leading trucks.

"Hunger is the handmaid of genius." Mark Twain

This tag shows you the price.

This tag shows you the savings.

When you buy an air conditioner, don't just look at the price. Check out the EER, too. Because the higher the EER, the less the unit costs to run.

Not all air conditioners are created equal. Two similar air conditioners can do the same cooling job, yet one may use less energy to do it. Obviously, you want to find that one, because it's more efficient and costs less to run. That's where EER comes in.

How to find the EER rating. EER stands for Energy Efficiency Ratio. It indicates the relative efficiency of an air conditioner. Sometimes there's an EER tag right on the machine, but even when

there's not, you can figure it out yourself. Everything you need to know in order to calculate the EER is contained on a metal plate attached to the unit.

To find the EER, just divide the BTU's by the watts. In our example, the EER divides out to 8.7. $7500 \text{ BTU's} \div 860 \text{ Watts} = 8.7$

What's the recommended EER? We recommend an EER for air conditioners of 8 or higher. Lower rated units waste energy, and the energy wasted costs you money.

It pays to know about EER. An air conditioner with a high EER may cost a little more to buy, but it costs less to run, so it ends up saving you money over the life of the unit.

Commonwealth Edison
Working for you.

Tennis tourney set to start Friday

Continued from page 1

the village: Ron Halpern, tennis coach at the high school, and Tom Surrock and Jamie Vasek.

They are scheduling the matches for each division. Beginning Thursday, the draw sheets will be posted in the State Bank lobby for anyone interested in pairings throughout the tournament.

ACCORDING TO RECKERS, the enthusiastic response to the tournament indicates that some exciting tennis is in store for participants and spectators alike. In anticipation of good crowds, spectator bleachers will be set up for matches at Jensen Park.

Especially large crowds are expected for Sunday's final matches.

First matches on Friday will take place at both the high school and Jensen Park courts. Saturday and Sunday matches, including Sunday's finals, will be played only at Jensen Park, leaving the Antioch High School courts open to the public.

Following is the schedule of matches:

Friday, July 21 - Antioch High School: 8 a.m. to 11 a.m., Boys age 11 through 13; 11 a.m. to 12 noon, Girls age 8 through 10; 12:30 to 2 p.m., Girls age 11 through 13.

Friday, July 21 - Jensen Park: 8 a.m. to 11 a.m., Boys age 14 and 15; 11 a.m. to 1:30 p.m., Boys age 16 and 17.

Saturday, July 22, Jensen Park: 8 a.m. to 9:30 a.m., Boys age 8 through 10; 9:30 a.m. to 10:30 a.m., Girls age 8 through 10; 10:30 a.m. to 11:30 a.m., Boys age 11 through 13; 11:30 a.m. to 12:30 p.m., Girls age 14 and 15; 12:30 p.m. to 1:30 p.m., Boys age 14 and 15; 1 p.m. to 2 p.m., Girls age 16 and 17; 2 p.m. to 3 p.m., Boys age 16 and 17.

Sunday semi-finals, July 23, Jensen Park for 3rd and 4th place: 9 a.m. to 10 a.m., Girls and Boys 8 through 10; 10 a.m. to 11 a.m., Girls and Boys 11 through 13; 11 a.m. to 12:30 p.m., Girls and Boys 14 and 15; 12:30 p.m. to 1:30 a.m., Girls and Boys 16 and 17.

Sunday finals, July 23 - Jensen Park for 1st and 2nd place: 12:30 p.m. to 1:30 p.m., Girls and Boys 8 through 10; 1:30 p.m. to 2:30 p.m., Girls and Boys 11 through 13; 2:30 p.m. to 3:30 p.m., Girls and Boys 14 and 15; 3:30 p.m. to 4:30 p.m., Girls and Boys 16 and 17.

GIRLS

8 to 10: Carrie Lynn Fisher, Julie Andre, Marcie Perott, Tricia Olenick, Suzy Hueckstaedt, Cari Ann Bennett, Cindy Willett and Cindy Bartosz.

11 to 13: Anna Marie Obrycki, Jill Tapia, Suzy Samson, Lori Mrowczynski, Susan Lemke, Betsy Barnes, Roberta Maglio, Genelle McKenna and Marueen McDevitt.

14 and 15: Tracy Witt, Liz Ammar, Elise Carbine, Marisa Dubas, Gaye Richter, Marjorie Allen, Beth Mueller, Jennifer Behne, Sally Reljic and Sandy Fernandez.

16 and 17: Lori Corey, Karla Herbst and Diane Behrendt and Jamie Vasek.

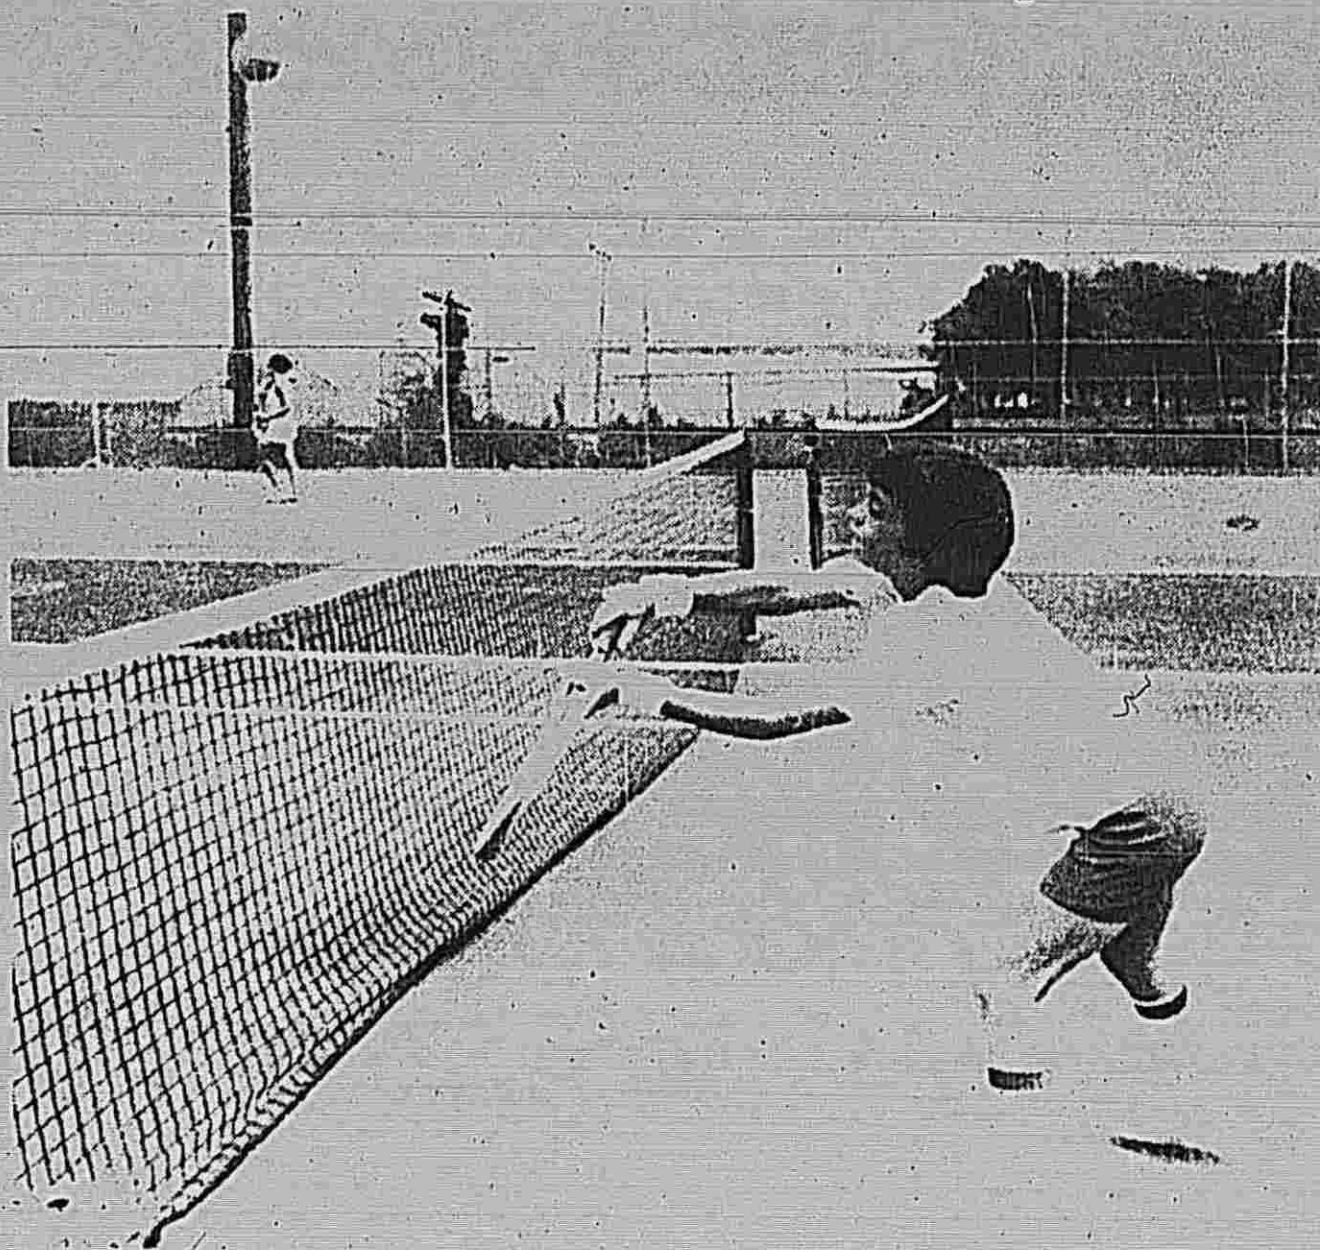

BOYS

8 to 10: Lance Audehm, Jay Tapia, Richard Korjenek, David DeRousse, Brett DeRousse and David Ammar.

11 to 13: Bradley Poulter, Donald Korjenek, Rick Keeter, Kermit Radke Jr., Scott Johnson, Tony Besson, Craig R. Prather, John Humphreys, Robert H. Ammar, John Klaczak, Jeffrey Tapia, Mike Evans, Rick Samson, Les Zitkus, Derek Olsen, Greg Lipske, Carl Amundsen, Mike Mohr, Mike Ray, Jeff Berchold and Dave Corso.

14 and 15: Gordy Nasenbeny, Scott Poulter, Tim Keefer, Bob Thain, Tom Bailey, Mark Mohr, Jeff Lemke, Mark Magho, Grant Kmiecik, Guy Abderholden, John Jackson, Daryl Blanchette, Frank Skradski and Tom Moffat.

16 and 17: A.J. Ray, David Berchold, Greg McKenna, Chris Jungkans, Tom Mehlhorn, Thomas Jilly, Roger Korjenek, Kevin Vrba, George Richter, Ken Nevitt, Mike Conners, Tom Surrock and Mark Filwell.

A WINNER LAST YEAR in the bracket for boys 8 through 10 years of age, Don Korjenek will be moving up to 11-13 class this year. The State Bank of Antioch's second annual youth tennis tournament will be held Friday, Saturday and Sunday.

GOP golf outing is Friday

Lake County Republicans have reinstated a popular summer event of past years - the annual GOP Golf Day, scheduled this Friday at Brae Loch Country Club, Grayslake.

Chairmen of the event, Paul Brandenburg, announced a full schedule for the day, including continental breakfast, light lunch, golf and prime rib dinner. Golf prizes will be awarded for low net, low gross, closest to the pin on par three holes, longest and shortest drives, highest score and most out of bounds.

There will be a golfer's kit for every golfer participating and prizes will be provided by the Lake County Women's Republican Club.

Cost for the full day of golf and dinner is \$25. Dinner is \$15.

"We promise a great day - fun and fellowship will be the only rules," said Lake County Republican Chairman George Kangas of Lincolnshire.

Tickets are available from Republican precinct committeemen or GOP headquarters, Waukegan, phone 623-0235.

the 19th hole

the Chicago Bears but on the golf course he mostly plays just for fun.

That's the word from Bill Georgeson, owner of the World Famous Village Pub, who played 18 holes with Harper last week at Midlane Country Club.

Harper emerged \$2 richer, though, courtesy of Georgeson.

Bill said Harper talked about the Bears and said he thinks Walter Payton will wind up signing another contract.

The excitement on the 7th green at Plum Tree golf course in Harvard, Ill., last Wednesday was caused by Jean Daniel.

Jean, an excellent player, scored a hole-in-one. We have it on the best authority, witness Eileen Zannini.

Little League Champs

It was a time for celebration last week when the Teresi Chevy-Olds Yankees won Antioch's Little League championship and flocked around Manager Ron Raven.

The Yankees won their division with a 9-5 record while the Lyons-Ryan Cubs were winning theirs with an 11-3 record.

The Cubs had beaten the Yankees 4-3 and 10-9 in regular season games but, in the playoffs, the Yankees turned the tables by winning the first two showdowns, 4-3 and 12-1.

THE 12-YEAR-OLDS who ended their Little League careers by winning the championship (photo above) proudly wore "Yankees" on the fronts of their shirts and Teresi Chevy-Olds on the back. Kneeling from left: Gary Foley, Ken Lubkeman, and Dale Keller. Second row from left: Steve Case, John Humphreys, Phil Raven, Ed Silva and Andy Lehn. In the back are Manager Ron Raven and Coach Don Chisholm.

The North Magnetic Pole was discovered by Sir James Clark Ross, a Scottish polar explorer, in 1831.

Little League stars in district semifinals

The stars of Antioch's Little League, so far, are proving they aren't only the best in Antioch.

The league's "tournament team" has defeated Mundelein 3-0 and Great Lakes 2-0 in district tournament games and today (Wednesday) at 5:30 p.m. they play in the district semifinals against Libertyville, at Libertyville.

Andy Proctor is managing Antioch's team. Against Mundelein last week Frank Mahar pitched a five-hit shutout and his twin brother, John, connected for a home run.

Against Great Lakes Monday, John Silianoff pitched a one-hitter for Antioch.

"We've had three double plays in two ball games," Proctor said.

State Bank wins 13-10 in Babe Ruth

The State Bank Babe Ruth team won its fourth game of the season by beating Antioch Drugs 13-10. Ed Jorgenson had four hits for the winners, including a three-run

homerun to win the game. Tom Poulos was the winning pitcher and pitched a good game but a lack of defense contributed to the many runs scored, coaches said.

THE YANKEE PLAYERS who will be back next year are (from left in photo above) Tim Raven, Dennis Evans, Nick Marshall, Don

Chisholm, Joel Bellucci and Matt Humphreys. In the back are Manager Ron Raven and Coach Don Chisholm.

THE PLAYERS WHO LED the Lyons-Ryan Cubs to an 11-3 regular season record in Antioch's Little League were mostly the team's 12-year-olds. Unfortunately, they lost the championship playoffs to the Yankees, but here they are (above); front

row from left: Coach Mike Grealis, Rod Steiskal, Dave Pinkham, Rob Altman and Mike Grealis. Back row from left: Manager Bob Weber, Frank Mahar, Mike Christiansen, John Mahar and Coach Mike Ranney.

Swim team defeats Kenosha 422-344

The Antioch Swim Team defeated the Kenosha Recreation Team last week 422-344, capturing 44 first place victories out of the 60 events.

High scorers for the swim team, sponsored by the State Bank of Antioch, included Joel Bellucci, George Bessette and Matt Zavaski, who each captured four firsts.

Shelly Volling, Lynn Lacynski, Julie Konchan, Brian Wogsland, Rob Smith and John Connelly each won three firsts.

Special recognition for the meet went to nine-year-old Kim Sullivan who worked diligently and exceeded expectations, coaches said.

The Antioch Swim Team also went up against the probable conference champions, Plum Grove of Palatine, and both Antioch's "A" and "B" squads were defeated though coaches said the swimmers worked hard and turned in many personal best times.

Antioch was not able to win many events in the meet, but those who did win should be commended, coaches said. Erin Spietz won each of her four events while Shelly Volling, Mich Kruczak and George Bessette won the three events they entered.

Double winners were Julie Konchan and Melissa Peterson and single victories went to Kim Nicholl, Ted Bessette, Derek Klein, Jennifer Bellucci, Todd Gedville and Laura Eckert.

The Antioch Swimmers are approaching the end of their season with the conference championship meet set for this Saturday and the Antioch Invitational to be held Aug. 6.

The invitational will include Antioch, Brentwood, Waukegan Park District, Libertyville and Kenosha Recreation.

19th hole

Continued from page 15
tournament at Harbor Ridge Country Club on Sunday, Aug. 27.

John Curry of Kenosha, president of the association, reported that John Burch of Kenosha won the low net prize when the group played last weekend. Jess Sobey of Mundelein and Ed Karl of Harbor Ridge tied for low gross with 36-hole scores of 155. Bob Sarver of Libertyville and Curry tied for third at 156.

For information about the association, contact Curry at 1906 89th St., Kenosha, Wis., 53140. The club is for players who average between 79 and 99.

and Gloria Swigart of Kenosha had low gross in Class A.

Low gross in Class B was won by Trudy Anderson of Antioch.

Tom Homan wins trophy dash

Tom Homan of Antioch won the trophy dash and placed fifth in the feature race Saturday night at Waukegan Speedway.

Also, in the late model stock cars, Homan was second and Don Collins of Antioch third in a heat race.

Waukegan Speedway was the scene of a special night. It marked Promoter Gordon Sill and his wife Lorraine's 15th year operating the Speedway. Special presentations were made to them prior to the late model feature.

Bill Bain led from start to finish in the 25-lap event but it was not an easy road. Bain was constantly pressured by Danny Brown. Bain and Brown were nose to tail even when the two made their way through traffic.

Bain took his victory lap around the opposite way on the track. He passed Brown and they exchanged waves as both received the crowd's ovation for one of the finest dirt track racing performances ever given here.

DANNY LASCO OF ANTIOCH was third in a heat race for hobby stocks on Sunday night.

The 25-lap Interstates Racing Association super-modi-

fied feature was won in a record time of 7:05 by point leader Gary Dye.

THE SPEEDWAY WILL host its first "Family Night" this Friday.

The fan participation program will include hobby stocks racing for double-championship points, a parent-child tire rolling contest, couple's wheelbarrow races, children's big wheel races, a powder puff, "Beat Your Neighbor" racing and more.

The fun begins with hobby stock qualifying at 7 p.m. and the racing at 8.

Saturday, the Speedway will have late model stock cars in a 25-lap feature along with hobby stocks.

Sunday, the super-modifieds return for a 25-lap feature along with hobby stocks.

Lions picnic

Continued from page 5

proceeds to the Antioch Rescue Squad.

SHOPPERS WILL flock to Antioch's downtown on Thursday, Friday and Saturday, Aug. 3-5, to see the bargains offered during Maxwell Street Days, sponsored by the Chamber of Commerce and Industry.

The sidewalk sales and other fun are among the village's highlights every year.

AT THE LIONS CLUB picnic, the excitement will begin at 9 a.m. when the Antioch swim team hosts four other teams in its annual invitational meet at the Aqua Center.

Games starting at 1:30 p.m. will attract children and adults, with competition in six age brackets.

Entertainment will feature an appearance of Garfield Goose and the Muppets, followed by such games as "money in the straw," a pie-eating contest, sack races and a balloon toss. Chuck Gerniak is in charge of the games.

THE AUCTION STARTS at 12:30 p.m. and Dave Heath, captain of the rescue squad, said he is hoping businessmen and others will contribute as they did last year.

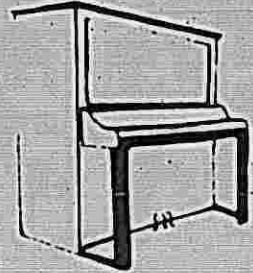

"The Lions Club auction has been a major fund-raising benefit for the rescue squad," Heath said.

Donations to the auction can be made by phoning the village hall at 395-1000. The Lions don't want used appliances, used furniture or such things that don't sell.

They are hoping, however, that members of the community will contribute items that are really saleable.

Graduate courses to be offered

A number of graduate and upper division courses will be offered this fall at the College of Lake County (CLC) in Grayslake by area colleges and universities.

THE NATIONAL College of Education has scheduled eight graduate courses at CLC. Diagnostic Techniques for the Reading Specialist; Characteristics of Children with Learning Disabilities; Characteristics of Emotionally Disturbed Children; Characteristics of Mentally Retarded Children; Motor Activities for Children; Learning Center Operations; Survey of Current Practices in Early Childhood Education; and Primary Reading. All courses offer two graduate credits.

Also, Northern Illinois University is offering a graduate seminar (BEAS-631) in "Family Finance and Consumer Education." A three credit hour course, the seminar will meet from 5 p.m. to 7:30 p.m.

GOVERNORS STATE University is offering three undergraduate business courses: Organizations and Their Environment (BPS-5390), Industrial Engineering (BPS-5450), and Personal Management (BPS-5460). Each course offers three credits.

For more information about these courses call the College of Lake County at 223-6601, ext. 333.

EQUAL HOUSING OPPORTUNITY

OBITUARIES

Merle R. Gibson

Mr. Merle R. Gibson, 69, of Antioch passed away Wednesday, July 12, at his home. He was born Nov. 14, 1908 in Sterling, Ill., and had lived in Berwyn for several years before moving to Antioch in 1963.

Mr. Gibson was a retired refrigeration repairman and had worked for the Willowdale Dairy in Antioch for several years. He married Birgit Anderson on Mar. 21, 1952.

Survivors are his widow Birgit; one son, Steven Gibson of Antioch; one daughter, Mrs. Marilyn Zimmerman of Plainfield, Ill.; one granddaughter Leslie; two sisters, Mrs. Phyllis (Larry) Paquette of California and Mrs. Lena Ryan of Carpentersville. He was preceded in death by three brothers.

Funeral services were held Saturday at the Strang Funeral Home in Antioch. The Rev. Philip O. Laurin of St. Stephen Lutheran Church officiated. Interment was in Glen Oak Cemetery, Hillside. Contributions may be made to the Antioch Rescue Squad in his memory.

Fanny Amelia Kleinod

Mrs. Fanny Amelia Kleinod, 84, of Lake Villa passed away Monday, July 10, at her home. She was born Sept. 3, 1893 in Finland and lived in Chicago for many years before moving to Crooked Lake near Lake Villa over 30 years ago.

She married Charles A. Kleinod and he preceded her in death in 1961.

Survivors are two daughters, Evelyn and Hazel Kleinod, both of Lake Villa; one sister, Mrs. Lempi (John) Damkar of Florida.

Funeral services were held last Thursday at the Strang Funeral Home, Antioch. Interment was in Acacia Park Cemetery, Chicago.

Donald Roy Page

Donald Roy Page, 19, of Salem passed away Sunday, July 16, from injuries received while at work on the North West Tollway in Illinois. He was born Dec. 6, 1958 in Chicago and has lived in Salem for the past 16 years.

He graduated from Riverview Grade School and Wilmot High School and had attended the U.W. at Platteville, Wis. He had been working during the summer for the Road Safety and Warning Lites of Illinois when the accident occurred.

Survivors are his parents, Robert and Irene Page of Salem; one sister, Debra Sue Page; two brothers, Robert Joseph Page and Jeff Scott Page, all at home. His maternal grandparents, Phil and Angeline Van Halter of Salem; his paternal grandmother, Mrs. Margaret Page of Cicero.

Funeral services will be held today (Wednesday) at the Strang Funeral Home in Antioch. The Rev. Merlin Hoeft of the Salem United Methodist Church will officiate. Interment will be in Salem Mound Cemetery, near Silver Lake, Wis.

Roger J. Gilday

Roger J. Gilday, 67, of Grass Lake Rd., Antioch, died Friday, July 14 at Victory Memorial Hospital in Waukegan after an extended illness.

Born July 29, 1910, in Chicago, Gilday lived in Antioch since 1950. At the time of his death he was a self employed automotive supplies salesman.

He was a member of Masonic Lodge No. 1005 AF & AM, Chicago and past member of Portage Park Moose Lodge, Chicago.

Survivors include his widow, Claire, whom he married Feb. 8, 1935 in Chicago; four sons, Roger (Shirley) Gilday Jr. of Washington, Russell W. (Sandra) Gilday of Antioch, Ryan D. (Joyce) Gilday of Antioch and Mark B. Gilday of Antioch; one daughter, Mrs. Susan C. (Gerald) Johnson of Woodville, Wash.; his mother Grace H. Van Nottle, Libertyville and 11 grandchildren. He was preceded in death by his brother, Russell, in 1972.

Funeral services were held Monday at 11 a.m. at Strang Funeral Home with interment at Ascension Cemetery in Libertyville.

Contributions may be made to the Antioch Rescue Squad in his memory or for masses.

Gaziantep, Turkey, is reported to be the world's oldest city.

Mosquitos to be 'extreme nuisance'

A special situation has arisen relating to mosquito annoyance. Local officials in Antioch have been notified of an "extreme nuisance alert" by the Clarke Outdoor Spraying Co., their mosquito control contractor.

Due to the late June and early July series of heavy rainfalls (mosquito eggs hatch off when emersed in water) mosquito biting through the end of July will be the worst in years. The culprit is the Aedes vexans species, better known as the floodwater mosquito.

Our current flooding situation was actually initiated by the precipitation activity beginning in August of 1977. This activity ranged from average to very heavy. In some areas August and September saw almost three times the normal rainfall.

Clarke officials said this elevated the water table back to its proper level after the previous four years of average to dry conditions. Winter brought three months of continuous snow cover. The melt off maintained the higher water table situation.

Spring rainfall this year was average, they said. Streams, ponds, and swamp areas began to fill. Then during the time period of June 15 through July 4 (only 19 days), a deluge prevailed. Normal rainfall during this interval is 2.9 inches. The actual this year ranged from 7 to 8.4 inches or 290 percent above normal.

The condition of a high water table coupled with extremely heavy rain in the concentrated period of a time has caused many streams to over flow their banks along with flooded lakes, ponds and swamps throughout the entire metropolitan area. The flooding problem is the cause for higher than normal mosquito activity.

Clarke officials said they will be operating at full capacity to take care of the mosquitos. Any mosquito related complaints should be referred directly to the "Mosquito Hot Line" at 800-942-2555 for immediate action.

Legal Notice

LEGAL NOTICE FOR BIDS STREET RESURFACING MATERIAL

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Village of Antioch until 8:00 P.M. on August 7, 1978 for 1000 ton of B-5 Mix for the resurfacing of various village streets.

All about town

By LINDA WALKER

The saying is "no news is good news." Well, that doesn't stand true for this column. No news leaves me with a blank sheet of paper and a deadline.

I know it's hard to believe, but the talk around town has come to a screeching halt. Either everybody is busy enjoying the summer or too busy working to bother with me.

Of course, it's possible it could be me. Maybe I'm not putting my heart and soul into it. So if there's something you'd like mentioned - let me know. This column is for you, about you.

HOPE YOU'RE MAKING the most of "Summer '78." I know you are if you stocked up on insect repellent.

To think a small bug no bigger than a bread crumb commonly known as a mosquito (is it possible to speak of the devil in singular?) is ruling our lives. It could be we're ruining his. They outnumber us this year 2 to 1, and there is a possibility we're pestering them as they buzz around our heads trying to find a fresh spot to bite. Either way, someone is bothered, and I'd lay odds it's not the mosquito.

Regardless, I don't think they're going to pack up and move away, and we're certainly not, so we'd better learn to live with them.

AS LONG AS WE'RE on the subject of enjoying summer, have you ever seen the Aquanats ski team perform? The talented group of young adults amaze you with their water skiing ability every Saturday night at Lance Park in Twin Lakes.

Admission is free and it's well worth taking the short drive to see how the pros "trick ski." Yours truly can only do half the stunts, but I'm trying.

ALPINE VALLEY in Elkhorn, Wis., features live entertainment throughout the summer. This Friday and Saturday, Steve Martin will be appearing. For further information contact the local Ticketron outlet.

IF YOU'RE AT a loss for things to do, you'll enjoy seeing the greatest science fiction movie yet, "Star Wars." If the marquee is accurate the adventures of Luke Skywalker will start showing this Friday at the Antioch Theatre.

It's worth the viewing to see how the villain, Darth Vader, turns out to be every kid's hero.

THAT'S IT for this issue. Hope there's more news next week.

TOURNAMENT TIME?

The third annual Antioch Open golf championship will be held on two Sundays, Sept. 10 and 17, at Spring Valley Country Club in Salem.

Spring Valley's owner, John Wagner, said golfers will start teeing off at 11 a.m. on both days. It is a 36-hole tournament.

The event again is being sponsored by the Antioch News.

ENTRY BLANKS FOR this year's tournament will be available about Aug. 1.

Happenings

A MEETING to discuss forming a West Lake County Democratic Club will be held at 8 p.m. Thursday at 260 Cedar Lake Rd. in Round Lake, according to the county Democratic chairman,

John S. Matijevich.

"Some of the organization Democrats have asked me how I feel about forming a club outside the scope of the Lake County central committee, and I have informed them that anything that promotes the best interests of Democrats

and helps Democratic candidates has my enthusiastic support," Matijevich said.

THE CROSS Lake Improvement Assn. will hold its 2nd annual Flea Market on Sunday, July 30, from 10 a.m. to 6 p.m. at the

lakefront.

Many items have been donated, including macramé owl hangers.

The chairman for the flea market is Theresa Grefkiewicz. She said the association is holding the market "to raise funds to keep up the lakefront property."
